Dear Examiners:

Today, the Staff filed a motion to suspend the procedural schedule in these proceedings. Ohio Power Company (AEP Ohio) supports the underlying premise of the Staff's request of pursuing a potential settlement opportunity. But the Company submits that it is not necessary to indefinitely suspend the entire procedural schedule in order to facilitate settlement discussions. Rather, AEP Ohio would suggest that the existing deadlines be moved back two-three weeks so that a timely process remains in place for litigating these important issues in the event that settlement does not occur. If the prehearing conference is delayed a couple weeks, for example, it could be used to report the status of settlement discussions or to discuss final matters prior to hearing. Keeping a (delayed) schedule in place is a more balanced and reasonable approach than suspending the entire schedule.

Thank you for your attention to this matter.

Respectfully Submitted,
