COLUMBUS OH 431

Dear Chairman Andre T. Porter

31 OCT 2016 PM 6 L

I am a resident of Ohio. I am calling on you to help end the economic devastation and the life-threatening conditions that current utility policies are causing the people of our communities.

Low-income working people cannot afford the current costs of food, heat, energy, housing, medicines and other necessities. I urge you to take whatever actions are necessary to prevent further needless suffering and even death.

Signed,
