Public Utilities Commission of Ohio
180 East Broad Street
Columbus, Ohio 43215

Commissioners:

I write hoping you will deny the appeal of American Electric Power's to increase the "customer charge" on monthly bills (Case # 13-2385-ESP). I also hope that the Commission will press AEP towards renewable, cleaner energy sources and reduce their use of fossil fuels, and to assist customers in choosing energy efficient appliances in order to conserve energy and also to reduce their own costs.

Yours,

William R. Leety
