**Re: Hog Creek Wind Farm LLC,  
Case Nos. 09-277-EL-BGN and 10-654-EL-BGN**

Dear Ms. McNeal:

On March 22, 2010, the Ohio Power Siting Board ("OPBS") issued Hog Creek Wind Farm LLC ("Hog Creek") a Certificate of Environmental Compatibility and Public Need in Case No. 09-277-EL-BGN for Hog Creek I ("Hog Creek I"). On August 29, 2011, the OPSB issued a Certificate of Environmental Compatibility and Public Need in Case No. 10-654-EL-BGN for Hog Creek II ("Hog Creek II"). The orders in each of the cases established a set of conditions as part of the certificates.

Within these sets of conditions, Hog Creek I **Condition No. 44** and Hog Creek II **Condition No. 58** require that:

**As it becomes known. Hog Creek shall provide to staff the date on which: construction will begin. . .**

The 2016 construction phase will begin the week of December 5, 2016. Thus, Hog Creek is in compliance with Hog Creek I **Condition No. 44** and Hog Creek II **Condition No. 58** for the 2016 phase of construction.

If you have any questions please call at the number listed above.

Sincerely,

Sally W. Bloomfield
