**THE DAYTON POWER AND LIGHT COMPANY’S
MOTION TO MODIFY THE SCHEDULING ORDER
AND REQUEST FOR AN EXPEDITED RULING**

Pursuant to Ohio Administrative Code (“OAC”) Rules 4901-1-12 and 4901-1-13, the Dayton Power and Light Company (“DP&L”), respectfully moves the Public Utilities Commission of Ohio (“Commission”) for an order granting an extension of the deadlines and hearing date set forth in the Attorney Examiner’s October 26, 2016 Entry. Given the fact that one of the subject deadlines (DP&L’s deadline for filing supporting testimony) is today, DP&L also requests an expedited ruling in this matter pursuant to O.A.C. 4901-1-12(C). DP&L proposes the following procedural schedule:

Filing of DP&L’s testimony/any Plan updates:	November 30, 2016
Filing of Intervenor testimony:	December 14, 2016
Filing of Staff testimony:	December 16, 2016
Hearing:	December 21-22, 2016

All intervening parties were notified of this requested extension through phone calls and/or e-mails earlier today. A majority of Intervenor (OPAE, IEU-Ohio, Kroger, OMAEG, EDF, and IGS Energy) have stated they are unopposed to the Motion, and while DP&L is

awaiting responses from the remaining Intervenors, none have stated they intend to oppose the Motion. Staff is also supportive of the requested extension.

DP&L's motivation for this request is not for the purpose of delay or inconvenience. This brief extension will allow DP&L to: (1) continue productive settlement discussions already initiated with the parties; and (2) continue to evaluate its 2017-2019 Portfolio Plan as filed and determine if it needs to be updated. Further, DP&L believes it is best for the parties to focus their efforts on settlement rather than expend time, energy and resources on the development of testimony if it is possible to avoid a hearing in this case.

For the foregoing reasons, good cause exists to modify the procedural schedule in this case as set forth above.

Respectfully submitted,

/s/ Jeremy M. Grayem
