Re: PUCO Case No. 16- 1592-RR-RCP- In the Matter of a Request by Norfolk Southern Railway Company to Relocate and/or Modify Certain Grade Crossing Warning Devices in Canton, Stark County, Ohio.

On July 19, 2016, Norfolk Southern Railway Company filed a request to relocate and/or modify 18 crossings in Canton, Ohio. On October 13, 2016, the attorney examiner ordered that Staff file a report by November 10, 2016.

Staff conducted an initial assessment of the crossings and identified engineering issues at some of the crossings. Staff met on site with a Norfolk Southern Railway representative and the Ohio Rail Development Commission on November 7, 2016.

Staff, at this time, is trying to work the City of Canton to make some crossing/roadway changes. Therefore, Staff is requesting 90 day extension, so that these issues can be resolved with the City of Canton and the railroad.
