Subject: Pull the Plug on Utility Handouts

Dear Commissioner Johnson,

I don't want my electric bill to go up to pay for AEP's and FirstEnergy's old power plants. The utilities claim they're losing money on their aging plants, and now they're demanding that consumers cover the cost of their bad decisions not to invest in cheaper, cleaner power, like natural gas.

It's outrageous that my electric bill will go up while these giant utilities are earning billions of dollars and paying hefty dividends to their shareholders. Please stand up for Ohio consumers and tell the PUCO to reject AEP's and FirstEnergy's money grab.

PUCO Case #s: 14-1297-EL-SSO; 14-1693; 14-1694

Sincerely,

Jacqueline A Carney
