RECEIVED-REGISTRATION UNIT

Dear Ms. McNeal:

On October 24, 2016, Columbia Gas of Ohio, Inc. ("Columbia") filed an application in this docket requesting approval of an Economic Development Project pursuant to Revised Code § 4929.163(A) and Ohio Admin. Code 4901:1-43-03(A) known as the Sofidel Pipeline Project (the "Project"). This letter serves to supplement that Application.

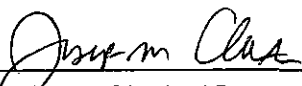

In Section (5)(a) of the Application, Columbia explained how its infrastructure development costs are projected to generate a return less than the most recently authorized rate of return. As noted in Columbia's Motion for a Protective Order filed in this docket, the total project cost, the required contribution and the calculations to determine the contribution are highly confidential and proprietary. Due to its confidential nature, Columbia met with Staff of the Public Utilities Commission of Ohio to discuss this information.

Should the Commission desire further information or discussion of this application, please do not hesitate to reach out to me at the information listed above.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
