**REVIEW AND RECOMMENDATION
SUBMITTED ON BEHALF OF THE STAFF OF
THE PUBLIC UTILITIES COMMISSION OF OHIO**

The Applicant filed this ATA seeking to revise its General Exchange Tariff. In this filing, the Applicant is proposing to amend its tariff to comply with the FCC's *2016 Lifeline Modernization Order*¹, which changed the qualifying assistance program and supported services for the Federal Lifeline Program. The *2016 Lifeline Modernization Order* also removed state-specific eligibility criteria for Lifeline support.

The Applicant's proposed tariff changes incorporated all of the changes mentioned above. The Staff reviewed all documents and exhibits filed on October 28, 2016; and in conclusion, the Staff review found that the application is reasonable. Therefore, Staff recommends that the Applicant's application for tariff amendment (ATA) be approved.
