Re: *In the Matter of the Application Seeking Approval of Ohio Power Company's Proposal to Enter into an Affiliate Power Purchase Agreement for Inclusion in the Power Purchase Agreement Rider, Case No. 14-1693-EL-RDR; In the Matter of the Application of Ohio Power Company for Approval of Certain Accounting Authority, Case No. 14-1694-EL-AAM*

Dear Ms. McNeal:

Ohio Power Company (AEP Ohio) submitted its PPA rider Application in this case on December 7, 2016; the Application requested that the new PPA rate become effective with the first Billing Cycle of January 2017. To the extent that additional approval is required to include separate line items on customer bills for the Power Purchase Agreement and the 5% rate cap provision adopted in this case. AEP Ohio respectfully requests that the Commission approve these bill format changes on an expedited basis.

The new proposed bill format (attached) includes separate items for the Power Purchase Agreement and 5 Percent Rate Cap Credit. Although the billing system is programmed to implement the 5 percent credit if applicable the billing line item for the Power Purchase Agreement would include both the Power Purchase and 5 percent credit if applicable. AEP Ohio will include the 5 percent credit as a separate line item beginning with the first billing cycle of February (January 31, 2017).

Thank you for your attention to this matter.

Respectfully Submitted,

//s/ Steven T. Nourse

In Case No. 12-2627-EL-RDR, the PUCO approved an adjustment to increase the Distribution Investment Rider, effective with this bill. This rider, which is adjusted quarterly, recovers capital costs associated with distribution infrastructure. A residential customer using 1,000 kWh per month will see an increase of \$0.41 per month.

**Do Not Tamper** - Tampering with an energized electric meter can cause serious injury or death. If you suspect a problem with your meter, call the customer service number listed on your electric bill for assistance. In addition, meter tampering is illegal and can result in fines and/or imprisonment.

To avoid unnecessary delays in crediting your electric payment, please **do not paper clip or staple your check to the bill payment stub.**
