**REVIEW AND RECOMMENDATION  
SUBMITTED ON BEHALF OF THE STAFF OF  
THE PUBLIC UTILITIES COMMISSION OF OHIO**

---

The Applicant filed this ATA seeking to revise its PUCO No. 6 tariff (telecommunications utility service). In this filing, the Applicant is proposing to amend its tariff to ensure compliance with the FCC's *2016 Lifeline Modernization Order*<sup>1</sup>, which changed the qualifying assistance program and supported services for the Federal Lifeline Program. The *2016 Lifeline Modernization Order* also removed state-specific eligibility criteria for Lifeline support.

The Applicant's proposed tariff revisions remove existing tariff language that is not necessary for compliance with the FCC's Order. Commission Staff has reviewed the documents and exhibits filed by the Applicant on November 28, 2016 and has found that the application is reasonable. Therefore, Staff recommends that the Applicant's application for tariff amendment (ATA) be approved.
