

**BEFORE
THE PUBLIC UTILITIES COMMISSION OF OHIO**

In the Matter of the Application for Certification	:	
As an Ohio Renewable Energy Resource Generating	:	Case No. 13-1441-EL-REN
Facility for Doug Oberacker	:	

**REVIEW AND RECOMMENDATION
SUBMITTED ON BEHALF OF THE STAFF OF
THE PUBLIC UTILITIES COMMISSION OF OHIO**

On August 7, 2013, Sol Systems LLC on behalf of Doug Oberacker filed an application for certification of a generation facility as an eligible renewable energy resource generating facility. The Doug Oberacker facility was certified on October 7, 2013. On October 18, 2016, Sol Systems LLC filed a document asking that the facility certification in case no. 13-1441-EL-REN be revoked.

The facility is also certified in case no. 13-2246-EL-REN. The certification number issued in case no. 13-2246-EL-REN has been registered with the tracking system PJM-GATS. Solar renewable energy credits (SRECs) have been issued for the certification number issued in case no. 13-2246-EL-REN.

The certification number issued in case no. 13-1441-EL-REN has not been registered with the tracking system PJM-GATS. Solar renewable energy credits (SRECs) have not been issued for the certification number issued in case no. 13-1441-EL-REN. Therefore double counting has not occurred.

Staff recommends the Commission revoke the certificate pursuant to the applicant's request in case no. 13-1441-EL-REN.

This foregoing document was electronically filed with the Public Utilities

Commission of Ohio Docketing Information System on

12/29/2016 10:32:32 AM
