

**BEFORE
THE PUBLIC UTILITIES COMMISSION OF OHIO**

In the Matter of the Application for Certification :
As an Ohio Renewable Energy Resource Generating : Case No. 14-1469-EL-REN
Facility for Rolland, Robert Residence - R Rolland :

**REVIEW AND RECOMMENDATION
SUBMITTED ON BEHALF OF THE STAFF OF
THE PUBLIC UTILITIES COMMISSION OF OHIO**

On August 29, 2014, SRECTrade on behalf of Robert Rolland filed an application for certification of a generation facility as an eligible renewable energy resource generating facility. The facility, Rolland, Robert Residence - R Rolland, was certified on October 29, 2014. On October 4, 2016, SRECTrade filed a document asking that the facility certification in case no. 14-1469-EL-REN be revoked.

The facility is also certified in case no. 14-1708-EL-REN. The certification number issued in case no. 14-1708-EL-REN has been registered with the tracking system PJM-GATS. Solar renewable energy credits (SRECs) have been issued for the certification number issued in case no. 14-1708-EL-REN.

The certification number issued in case no. 14-1469-EL-REN has not been registered with the tracking system PJM-GATS. SRECs have not been issued for the certification number issued in case no. 14-1469-EL-REN. Therefore double counting has not occurred.

Staff recommends the Commission revoke the certificate pursuant to the applicant's request in case no. 14-1469-EL-REN.

This foregoing document was electronically filed with the Public Utilities

Commission of Ohio Docketing Information System on
