## Renewal Instructions for Electric Aggregator/Power Brokers

**I. Where to File:** Applications should be sent to: Public Utilities Commission of Ohio, Docketing Division, 180 East Broad Street, Columbus Ohio 43215-3793.

**II. What to File:** Applicant must submit one original notarized application signed by a principal officer and three copies including all exhibits, affidavits, and other attachments. All attachments, affidavits, and exhibits should be clearly identified. For example, Exhibit C-10 should be marked "Exhibit C -10 'Corporate Structure.'" All pages should be numbered and attached in a sequential order.

**VERY IMPORTANT: The renewal application must be docketed in the applicant's original EL-AGG case number.**

**III. Renewal Application Form:** The renewal application is available on the Commission's web site, [www.puco.ohio.gov](http://www.puco.ohio.gov) or directly from the Commission at: Public Utilities Commission of Ohio, Docketing Division, 180 East Broad Street, Columbus Ohio 43215- 3793.

**IV. Confidentiality:** An applicant may file financial statements, financial arrangements, and forecasted financial statements under seal. If these exhibits are filed under seal, they will be afforded protective treatment for a period of six years from the date of the certificate for which the information is being provided.

An applicant may file a motion for a protective order for other information not filed under seal per the previous paragraph. If the motion is filed in conformance with rule 4901:1-24-07 of the Administrative Code, it shall be automatically approved on the thirty-first day after the date of filing and the information shall be afforded protective treatment for a period of six years from the date of the certificate for which the information is being provided, unless the commission or an attorney examiner appointed by the commission rules otherwise.

At the expiration of the six-year period provided for in the previous paragraphs, the information will be automatically released into the open record. An applicant wishing to extend a protective order beyond the six-year time period must comply with paragraph (F) of rule 4901-1-24 of the Administrative Code.

**V. Commission Process for Approval:** An application for renewal shall be made on forms approved and supplied by the Commission. The applicant shall complete the appropriate application renewal form in its entirety and supply all required attachments, affidavits, and evidence of capability specified by the form at the time an application is filed. The Commission renewal process begins when the Commission's Docketing Division receives and time/date stamps the application. An incomplete application may be suspended or rejected. An application that has been suspended as incomplete may cause delay in certification.

The Commission may approve, suspend, or deny a renewal application within 30 days. If the Commission does not act within 30 days, the renewal application is deemed automatically approved on the 31<sup>st</sup> day after the official filing date. If the Commission suspends the application, the Commission shall notify the applicant of the reasons for such suspension and may direct the applicant to furnish additional information. The Commission shall act to approve or deny a suspended application within 90 days of the date that the application was suspended. Upon Commission approval, the applicant shall receive notification of approval and a numbered certificate that specifies the service(s) for which the applicant is certified and the dates for which the certificate is valid.

Unless otherwise specified by the Commission, a competitive retail electric service provider's certificate is valid for a period of two years, beginning and ending on the dates specified on the certificate. The applicant may renew its certificate in accordance with Rule 4901:1-24-09 of the Ohio Administrative Code.

CRES (competitive retail electric service) providers shall inform the Commission of any material change to the information supplied in a certification application within thirty days of such material change in accordance with Rule 4901:1-24-10 of the Ohio Administrative Code.

**VI. Questions:** Questions regarding filing procedures should be directed to:

[CRES@puc.state.oh.us](mailto:CRES@puc.state.oh.us)

**VII. Governing Law:** The certification/renewal of competitive retail electric suppliers is governed by Chapter 4901:1-24 of the Ohio Administrative Code, Chapter 4901:1-21 of the Ohio Administrative Code, and Section 4928.08 of the Ohio Revised Code.

**B. APPLICANT MANAGERIAL CAPABILITY AND EXPERIENCE**

PROVIDE THE FOLLOWING AS SEPARATE ATTACHMENTS AND LABEL AS INDICATED:

- B-1** Exhibit B-1 "Jurisdictions of Operation," provide a list of all jurisdictions in which the applicant or any affiliated interest of the applicant is, at the date of filing the application, certified, licensed, registered, or otherwise authorized to provide retail or wholesale electric services including aggregation services.
- B-2** Exhibit B-2 "Experience & Plans," provide a description of the applicant's experience and plan for contracting with customers, providing contracted services, providing billing statements, and responding to customer inquiries and complaints in accordance with Commission rules adopted pursuant to Section 4928.10 of the Revised Code.

**B-3** **Exhibit B-3 "Disclosure of Liabilities and Investigations,"** provide a description of all existing, pending or past rulings, judgments, contingent liabilities, revocation of authority, regulatory investigations, or any other matter that could adversely impact the applicant's financial or operational status or ability to provide the services it is seeking to be certified to provide.

**B-4** Disclose whether the applicant, a predecessor of the applicant, or any principal officer of the applicant have ever been convicted or held liable for fraud or for violation of any consumer protection or antitrust laws within the past five years.  
☒ No      ☐ Yes

If yes, provide a separate attachment labeled as **Exhibit B-4 "Disclosure of Consumer Protection Violations"** detailing such violation(s) and providing all relevant documents.

**B-5** Disclose whether the applicant or a predecessor of the applicant has had any certification, license, or application to provide retail or wholesale electric service including aggregation service denied, curtailed, suspended, revoked, or cancelled within the past two years.  
☒ No      ☐ Yes

If yes, provide a separate attachment labeled as **Exhibit B-5 "Disclosure of Certification Denial, Curtailment, Suspension, or Revocation"** detailing such action(s) and providing all relevant documents.

## **C. FINANCIAL CAPABILITY AND EXPERIENCE**

PROVIDE THE FOLLOWING AS SEPARATE ATTACHMENTS AND LABEL AS INDICATED:

**C-1** **Exhibit C-1 "Annual Reports,"** provide the two most recent Annual Reports to Shareholders. If applicant does not have annual reports, the applicant should provide similar information in Exhibit C-1 or indicate that Exhibit C-1 is not applicable and why. (This is generally only applicable to publicly traded companies who publish annual reports.)

**C-2** **Exhibit C-2 "SEC Filings,"** provide the most recent 10-K/8-K Filings with the SEC. If the applicant does not have such filings, it may submit those of its parent company. An applicant may submit a current link to the filings or provide them in paper form. If the applicant does not have such filings, then the applicant may indicate in Exhibit C-2 that the applicant is not required to file with the SEC and why.

**C-3 Exhibit C-3 "Financial Statements,"** provide copies of the applicant's two most recent years of audited financial statements (balance sheet, income statement, and cash flow statement). If audited financial statements are not available, provide officer certified financial statements. If the applicant has not been in business long enough to satisfy this requirement, it shall file audited or officer certified financial statements covering the life of the business. If the applicant does not have a balance sheet, income statement, and cash flow statement, the applicant may provide a copy of its two most recent years of tax returns (with social security numbers and account numbers redacted).

**C-4 Exhibit C-4 "Financial Arrangements,"** provide copies of the applicant's financial arrangements to conduct CRES as a business activity (e.g., guarantees, bank commitments, contractual arrangements, credit agreements, etc.).

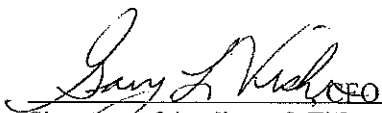

Renewal applicants can fulfill the requirements of Exhibit C-4 by providing a current statement from an Ohio local distribution utility (LDU) that shows that the applicant meets the LDU's collateral requirements.

First time applicants or applicants whose certificate has expired as well as renewal applicants can meet the requirement by one of the following methods:

1. The applicant itself stating that it is investment grade rated by Moody's, Standard & Poor's or Fitch and provide evidence of rating from the rating agencies.
2. Have a parent company or third party that is investment grade rated by Moody's, Standard & Poor's or Fitch guarantee the financial obligations of the applicant to the LDU(s).
3. Have a parent company or third party that is not investment grade rated by Moody's, Standard & Poor's or Fitch but has substantial financial wherewithal in the opinion of the Staff reviewer to guarantee the financial obligations of the applicant to the LDU(s). The guarantor company's financials must be included in the application if the applicant is relying on this option.
4. Posting a Letter of Credit with the LDU(s) as the beneficiary.

If the applicant is not taking title to the electricity or natural gas, enter "N/A" in Exhibit C-4. An N/A response is only applicable for applicants seeking to be certified as an aggregator or broker.

- C-5 **Exhibit C-5 "Forecasted Financial Statements,"** provide two years of forecasted income statements for the applicant's **ELECTRIC related business activities in the state of Ohio Only**, along with a list of assumptions, and the name, address, email address, and telephone number of the preparer. The forecasts should be in an annualized format for the two years succeeding the Application year.
- C-6 **Exhibit C-6 "Credit Rating,"** provide a statement disclosing the applicant's credit rating as reported by two of the following organizations: Duff & Phelps, Fitch IBCA, Moody's Investors Service, Standard & Poor's, or a similar organization. In instances where an applicant does not have its own credit ratings, it may substitute the credit ratings of a parent or an affiliate organization, provided the applicant submits a statement signed by a principal officer of the applicant's parent or affiliate organization that guarantees the obligations of the applicant. If an applicant or its parent does not have such a credit rating, enter "N/A" in Exhibit C-6.
- C-7 **Exhibit C-7 "Credit Report,"** provide a copy of the applicant's credit report from Experian, Dun and Bradstreet or a similar organization. An applicant that provides an investment grade credit rating for Exhibit C-6 may enter "N/A" for Exhibit C-7.
- C-8 **Exhibit C-8 "Bankruptcy Information,"** provide a list and description of any reorganizations, protection from creditors or any other form of bankruptcy filings made by the applicant, a parent or affiliate organization that guarantees the obligations of the applicant or any officer of the applicant in the current year or within the two most recent years preceding the application. .
- C-9 **Exhibit C-9 "Merger Information,"** provide a statement describing any dissolution or merger or acquisition of the applicant within the two most recent years preceding the application.
- C-10 **Exhibit C - 10 "Corporate Structure,"** provide a description of the applicant's corporate structure, not an internal organizational chart, including a graphical depiction of such structure, and a list of all affiliate and subsidiary companies that supply retail or wholesale electricity or natural gas to customers in North America. If the applicant is a stand-alone entity, then no graphical depiction is required and applicant may respond by stating that they are a stand-alone entity with no affiliate or subsidiary companies.

**B-1 Exhibit B-1 "Jurisdiction of Operations"**

Neither HighPower Energy, LLC nor any affiliated entity is certified, licensed, registered, or otherwise authorized by any jurisdiction other than Ohio to provide retail or wholesale electric services.

**B-2 Exhibit B-2 "Experience & Plans"**

HighPower Energy, LLC ("Applicant") is a sister company to Hightowers Petroleum Company ("HPC"), a national distributor of petroleum and alternative fuels. Both companies are 100% owned by Stephen L. Hightower. HPC was founded in 1984, building on a family business established in 1957. Mr. Hightower and his organization have become known throughout its corporate footprint for integrity, a strong sense of urgency, and energy solutions that are both unique and creative. The company expertly handles complex upstream and downstream issues. These skills will be transitioned to the electricity marketing services to be provided by Applicant.

HPC has fanned collaborative relationships on a national scale so as to provide an unparalleled level of service and efficiency for the negotiated sale of bulk fuels, on-site fueling, telemetry components for inventory management and the management of liquid fuels, gases and related products. These alliances have greatly enhanced HPC's seamless distribution network across 48 states, Canada and Mexico, as well as adding value to collaborations, delivering economies of scale.

HPC has implemented new ERP software within its organizations to better service its customers' needs as well as numerous programs to service all of its customers' requirements. With electronic billing and accounting functions, electronic remittances eliminate the time delay associated with past postal service inefficiencies.

Additionally, HPC has a very high priority for safety and quality. HPC holds the ISO9001/2008 and ISO 14001/2004 certifications which require continuous quality improvement. HPC also holds the OHSAS 18001/2007 health and safety management certification.

HPC through its CRM system enables the learning about customers due to its ability to record every event in which a customer asks for information about our products, buys, requests customer service, etc. Through these interactions, the needs of the customer are identified and will feed future improvements and increase sustainability.

**Case No 15-0091-EL-AGG  
HighPower Energy, LLC  
(CRES Renewal Certification)**

For the protection of consumers in this state, Applicant will be providing the following to its consumers:

- Reputation and financial support of a 56-year family owned enterprise.
- Provide consumers with adequate, accurate, and understandable pricing and terms and conditions of service, including any switching fees, and with a document containing the terms and conditions of pricing and service before the consumer enters into the contract for service;
- Disclose the conditions under which a customer may rescind a contract without penalty.
- Service qualification and termination. Applicant will have a policy that requires that, before a consumer is eligible for service from a retail electricity supplier or governmental aggregator subject to certification under Ohio law, the consumer shall discharge, or enter into a plan to discharge, all existing arrearages owed to or being billed by the electricity company from which the consumer presently is receiving service. The policy also shall provide for full disclosure of the terms identifying how customers may switch or terminate service, including any required notice and any penalties.
- Minimum content of customer bills. The following requirements will be standardized. Additionally, price disclosure and disclosures of total billing units for the billing period and historical annual usage and to the maximum extent practicable, separate listing of each service component to enable a customer to recalculate its bill for accuracy;
- Identification of the supplier of each service;
- Applicant will provide a statement of where and how payment may be made and provision of a toll-free or local customer assistance and complaint number for the retail electricity supplier or governmental aggregator, as well as a consumer assistance telephone number or numbers for state agencies, such as the Public Utilities Commission of Ohio, Office of Consumers' Counsel, and the Ohio Attorney General, with the available hours noted;
- Applicant will coordinate between suppliers for the purpose of maintaining service;
- The allocation of partial payments between suppliers when service components are jointly billed;
