Public Utilities Commission of Ohio
180 East Broad Street
Columbus, Ohio 43215

Gentlemen: Re: Cases, 15-180-FW-A10

I don't think D.P. & L. should be allowed to increase their customer service charge unless:

- 1) They use the money to increase their renewable energy and energy efficiency programs
- 2) They agree not to expand or increase their coal burning capacity.

Sincerely,

Wilson H. Bent
