Message:

I want to express my concern about this case. I do not believe that AES should be able to get this rate case approved by passing along the debt created from a bad buisness decision made by AES by purchasing the Killen and Stuart stations for more than what they are worth and passing the debts along to the customers. This will also have an enormous and devastating impact to the surrounding communities while displacing hundreds of employees.

Dear Mr. Meadows:

Thank you for contacting the Public Utilities Commission of Ohio (PUCO). Please respond to this e-mail and your concerns will be docketed in case 16-395-EL-SSO.

Your case number is RMEA021317A2. If you have questions or need additional information, please contact me by selecting reply to this e-mail or call our hotline at 1-800-686-PUCO (7826).

Sincerely,

Stephen Watson  
Customer Service Investigator  
Service Monitoring and Enforcement Department
