**REVIEW AND RECOMMENDATION
SUBMITTED ON BEHALF OF THE STAFF OF
THE PUBLIC UTILITIES COMMISSION OF OHIO**

On January 17, 2017, MCImetro Access Transmission Services, LLC d/b/a Verizon Access Transmission Services (Applicant) filed an application with the Commission proposing to revise its P.U.C.O. Tariff No. 2 and No. 11 to reflect a change in name. The Applicant is proposing to change its name from MCImetro Access Transmission Services, LLC d/b/a Verizon Access Transmission Services to MCImetro Access Transmission Services, Corp. d/b/a Verizon Access Transmission Services. Pursuant to the Ohio Administrative Code (OAC) §4901:1-6-29(B), as adopted in Case No. 10-1010-TP-ORD, this is an Application to Change the Name of a LEC. Telephone Company Procedures and Standards Rule 29(B) sets forth three requirements that must be met when a local exchange carrier (LEC) is proposing to change its name.

The Applicant is a LEC and filed all the required forms and attachments. Staff reviewed all documents and exhibits filed with this application. The Applicant's application satisfied all requirements the set forth in the rule.

In conclusion, Staff finds the Applicant's application, as amended, does not appear to be unjust or unreasonable; therefore, Staff recommends that Applicant's Application to Change the Name of a LEC be approved.
