Dear Anna Residents and Businesses,

The Village of Anna is offering you an opportunity to participate in an Electric Governmental Aggregation Program. The Village recently selected Dynergy as the program supplier through your April 2020 meter read. Both the Village and Dynergy are certified by the Public Utilities Commission to provide this service. As an eligible resident or small business, you will be automatically enrolled in the program unless you choose to opt-out (not participate) by **April 6, 2017**.

Program details:

- **Fixed Electricity Price** of 5.29 ¢ per kWh through your April 2020 meter reading.
- **One energy bill** from Dayton Power & Light, your local utility.
- **No cancellation fee at any time!**
- Dayton Power & Light continues to deliver your electricity and maintain the electric lines and respond to emergencies.

Program Enrollment

After your enrollment is finalized, Dayton Power & Light will send you a letter confirming your enrollment and informing you of your ability to cancel your enrollment with no penalty.

How to Opt-Out

If you do not wish to participate, you must opt-out no later than **April 6, 2017**. You can do this by completing and returning the reply card below or calling us toll-free at 888-682-2170.

If you choose to opt out (not participate), you may do so at no charge during this initial enrollment period and you will not be served by Dynergy. If you become part of the aggregation, you may cancel the agreement at any time at no charge by providing notice to Dynergy. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by your utility under its standard service offer or until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility.
