To Whom It May Concern:

I am writing to protest the rate increase D.P. & L. has requested and to ask that they increase the use of renewable energy: such as wind power. I would like to see D.P. & L. use cleaner energy and get away from the use of coal which is a dirty and health expensive fuel. Please apply my protest to

Case # 15-1830-EL-AIR. Thank you.

Sincerely,

C.L. Spears
