Re: Case Nos. 16-907-WW-AIR and 89-7028-WW-TRF

Dear Ms. McNeal:

In its March 22, 2017 Opinion and Order in Case No. 16-907-WW-AIR, the Commission authorized Aqua Ohio, Inc. to file tariffs reflecting new rates and charges for its water works service in the above-referenced dockets. Therefore, in accordance with this Order, Aqua submits clean copies of the affected tariff pages reflecting the newly approved rates. Aqua respectfully requests that you cancel and withdraw the superseded tariff pages.

Please contact me if there are any questions.

Regards,

/s/ Rebekah J. Glover

Office. The Customer must pay the Cost of such Meter or flow-detecting device and its installation.

- C. The Company will accept an Application for Private Fire Protection Service subject to the condition that there shall exist, fronting the Premises to be served, a sufficient supply of water to provide the service. The acceptance of any Application for and the furnishing of such service shall be on the basis of pressures as they may exist in the locality, which pressures are not guaranteed by the Company and may fluctuate significantly from time to time.

5. Calculation of Capital Investment Fee

The Capital Investment Fee shall be the Net Rate Base divided by the number of five-eighths inch (5/8") Customer Equivalents. Net Rate Base shall be the total value of Rate Base minus fifty percent (50%) of the transmission and distribution mains, along with the value of the hydrants and services. The Capital Investment Fee shall be calculated on an annual basis. The Capital Investment Fee shall be applied to applicants for service in all service areas.

METERED WATER SERVICE

1. The Company will install a Meter after the Customer readies the Customer Service Line and plumbing for installation. The Meter and setting shall conform to specifications as they may be prescribed from time to time by the Company and shall be operated and maintained by the Company. Meters so installed shall remain the Company's property and shall not be moved or tampered with in any manner.
2. Water will be sold by Meter measurement only, except for Customers having Special Contracts or Flat Rates, and Customers receiving service under an Application for Private Fire Protection Service, who shall pay for such service in accordance with the applicable schedule of rates.
3. The quantity of water recorded by the Meter shall be conclusive and binding upon both the Customer and the Company, except when the Meter is found to be out of order or inaccurate by test. There shall be no allowances made for water used or unaccounted for, lost or wasted through leaks, carelessness, neglect, or otherwise after passing through the Meter.
4. Each water Service Line must be separately Metered and no Meter may be used to serve more than one Premises, except when the Company and an Applicant enter into a special arrangement for service to:
 - A. A building or combination of buildings, of the same ownership, housing two or more rental units, each of which is designed or used for single-family occupancy as a residence or by a Person for professional or business purposes, or both; or
 - B. A building housing two or more units, not of the same ownership, each of which is designed or used for single-family occupancy as a residence or by a Person for professional or business purposes, or both; or
 - C. A mobile home, trailer park, or court, of the same ownership, containing pads, lots, or locations for two or more mobile homes or trailer units, not of the same ownership, each of which units is designed or used for single-family occupancy as a residence for single-family occupancy or by a Person for professional or business purposes, or both.

Such special arrangement shall be entered into solely in the discretion of the Company and shall provide for the Metering of water service through one or more master Meters to two or more residential or professional or business units, or combination thereof, per Meter. The Applicant for service shall be considered to be the Customer of the Company, regardless of the ownership of the units provided with water service through such Meter or Meters. One

LATE PAYMENT CHARGE

The late payment fee of 5% is based on current charges only and is not compounded on future delinquencies. The customer receives a six (6) day grace period (after due date) before late fees are applied. The six-day grace period allows for any mail or processing delays.

ACCOUNT ACTIVATION CHARGE

An account activation charge of thirty dollars and seventy-six cents (\$30.76) will be charged to all customers for new or transferred service.

DISHONORED PAYMENT CHARGE

When a payment for service is returned by the financial institution unpaid, a charge of eighteen dollars and fifty-eight cents (\$18.58) will be assessed to cover the cost of processing this transaction, provided the payment is properly processed by the Company. The charge for the dishonored payment may be reflected at the Company's option, when the Company returns the dishonored payment or may be included on the customer's next billing.

RECONNECTION CHARGE

In accordance with the terms and conditions set forth in this Tariff, customers whose service has been disconnected must pay a reconnection charge of fifty-three dollars and twenty-five cents (\$53.25), in addition to all other amounts due and payable, if any, if service is reconnected during normal business hours.

Service turned on at the request of a customer after normal business hours or on Saturday, Sunday, or holidays, will pay a reconnection charge of one hundred sixty-three dollars and forty-three cents (\$163.43).

This charge does not apply to customers who have been disconnected due to cross-connection. All costs incurred by the Company in restoring water service to such customer whose service has been terminated shall be payable to the Company prior to actual restoration of service. Customers may make payment arrangements with the Company to restore service.
