Dear North Bend Residents and Businesses,

The Village of North Bend is offering you an opportunity to participate in an Electric Governmental Aggregation Program. North Bend voters previously authorized the Village of North Bend to form a governmental aggregation program and negotiate favorable electric supply prices for eligible residences and businesses. North Bend leaders selected Dynegy as the program supplier through your May 2020 meter read. Both the Village of North Bend and Dynegy are certified by the Public Utilities Commission to provide this service. As an eligible resident or small business, you will be automatically enrolled in the program unless you choose to opt-out (not participate) by **April 24, 2017**.

### Program details:

- o **Fixed Electricity Price** of 5.39¢ per kWh through your May 2020 meter reading.
- o **One energy bill** from Duke Energy, your local utility.
- o **No cancelation fee at any time!**
- o Duke Energy continues to deliver your electricity and maintain the electric lines and respond to emergencies.
- o **Green Energy Option Available:** Uses 100% Renewable Energy - 5.49¢/kWh through your May 2020 meter reading. *Note for the green price, you'll need to call Dynegy (888-682-2170) to enroll in this option.*

### Program Enrollment

After your enrollment is finalized, Duke Energy will send you a letter confirming your enrollment and informing you of your ability to cancel your enrollment with no penalty.

### How to Opt-Out

If you do not wish to participate, you must opt-out no later than **April 24, 2017**. You can do this by completing and returning the reply card below or calling us toll-free at 888-682-2170.

If you choose to opt out (not participate), you may do so at no charge during this initial enrollment period and you will not be served by Dynegy. If you become part of the aggregation, you may cancel the agreement at any time at no charge by providing notice to Dynegy. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by your utility under its standard service offer or until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility. For questions, contact Dynegy at [DynegyCustomerService@dynegy.com](mailto:DynegyCustomerService@dynegy.com) or call 888-682-2170.
