Notes:

Please docket the attached in the case number above.

COMMENT DESCRIPTION:

AEP: 16-1852-EL-SSO I am appalled by the request by AEP to increase the fixed rate fee on their customers. My attempts to lower my electric usage, which has been encouraged by AEP through energy star rebates and led light bulb give aways and rebates would effectively be nullified through this blatant attempt to increase profits to make up for their own initiatives. It seems that every month they send a green wash email touting their programs and tips to reduce and conserve energy. They should be able to play both sides of the issue.
