Case No. 17-0287-EL-CSS

DAYTON POWER AND LIGHT COMPANY’S MOTION FOR CONTINUANCE

Pursuant to Rule 4901-1-13 of the Ohio Administrative Code, The Dayton Power and Light Company (“DP&L” or “the Company”) hereby moves the Public Utilities Commission of Ohio (“Commission”) for a continuance of the settlement conference scheduled for April 4, 2017. On February 24, 2017, the Attorney Examiner issued an Entry scheduling a settlement conference for this case at 10:00 a.m. on April 4, 2017. Subsequently, on March 8, 2017, the Attorney Examiner in Case No. 16-395-EL-SSO issued a scheduling order whereby the hearing on DP&L’s electric security plan (“ESP”) will commence on April 3, 2017. DP&L’s counsel of record in this case is also counsel in the Company’s ESP case. It is a near certainty that DP&L’s ESP hearing will not be concluded prior to the settlement conference in this case. In order to provide DP&L’s counsel of record the ability to attend both the ESP hearing and the settlement conference in this case, DP&L respectfully requests that the Commission issue a ruling continuing the settlement conference for a date between April 24 and May 12. The Complainant in this case has indicated that she is not opposed to the continuation of the settlement conference in this proceeding.

Respectfully submitted,

/s/ Michael J. Schuler
