Re: PUCO Case No. 17-1066-RR-RCP- In the Matter of a Request for an Upgrade at Akron Barberton Cluster Railway crossing on Cleveland Road (DOT#262-0577H) in Portage County, Ravenna, Ohio.

On April 13, 2017, Commission Staff (PUCO) and Akron Barberton Cluster Railway (ABC) entered into a stipulation agreement (attached) whereby upgraded warning devices would be installed at Cleveland Road (DOT#262-577H). The electric utility provider for this crossing is First Energy-Ohio Edison.

The costs of the Project shall be apportioned between the PUCO and ABC as follows:

<u>Grade Crossing</u>	<u>DOT#</u>	<u>Railroad</u>	<u>PUCO</u>
Cleveland Road	262-577H	Costs exceeding \$196,000 Plus Maintenance ***	Funding up to \$196,000

***= Railroad will install a complete light and gate system using new and refurbished materials.

On December 5, 2016, an on-site field review of the above mentioned crossing was conducted. It was decided that the crossing needed to be upgraded due to the City of Ravenna's proposed street upgrades in 2017. The roadway project will require movement of the existing devices and, due to their age, it was decided to just replace all of the warning devices at this time. Staff agreed to use a combination of new and refurbished materials for the crossing. The railroad will be responsible for all costs exceeding \$196,000.

Staff has reviewed this document and has determined it to be in order. Staff requests an Entry adopting the attached letter agreement and directing ABC to submit plans and estimates to the Commission within 90 days and to complete the upgrades within one year. Upon approval of the plans and estimates by the PUCO construction may commence.

The Railroad agrees to cooperate and assist, as requested, in any such audit. At any time during normal business hours upon three (3) days written notice and as often as the PUCO Staff may deem necessary and in such a manner as not to interfere with the normal business operations, the Railroad shall make available to the PUCO Staff for examination, and to appropriate state agencies or officials, all of its records with respect to matters covered by this Subsidy Stipulation including, but not limited to, records of personnel and conditions of employment and shall permit the PUCO Staff to audit, examine and make excerpts or transcripts from such records. If construction covered under this Subsidy Stipulation is not completed by that date, it is the expressed intention of the parties to renew this Subsidy Stipulation on each successive biennium period until such time as all work contemplated under this Subsidy Stipulation has been satisfactorily completed. If it appears to the PUCO that the Railroad has failed to perform satisfactorily any requirements of this Subsidy Stipulation, or if the Railroad is in violation of any provision of this Subsidy Stipulation, or upon just cause, the PUCO may:

- A. Terminate the Subsidy Stipulation after providing the Railroad with written notice, in accordance with the notice provisions of this Subsidy Stipulation, of its failure to perform satisfactorily any requirement of this Subsidy Stipulation (the "Notice"), which shall provide the Railroad with a thirty (30) day period to cure any and all defaults under this Subsidy Stipulation; or

respect to the completion of the work contemplated under this Subsidy Stipulation. Any person, who, prior to or after the execution of this Subsidy Stipulation, acquires any personal monetary interest, involuntarily or voluntarily, shall immediately disclose his interest to the PUCO in writing.
