Notice of Public Information Meeting for Proposed Utility Facility

Vinton Solar Energy LLC, a wholly-owned subsidiary of Invenergy Solar Development North America LLC, scheduled an April 5, 2017 Public Informational Meeting to outline plans to build the Vinton Solar Energy Center, a solar-powered generation facility located in Vinton County, Ohio. The facility will have a maximum total project generating capacity of up to 120 megawatts. The purpose of the facility is to generate electricity and its anticipated function is to supply renewable energy. For more information on the facility see www.invenergyllc.com.

Vinton Solar Energy LLC anticipates filing its application with the Ohio Power Siting Board on or about May 2017. Construction is estimated to begin as early as January of 2018, resulting in commercial operations as early as December, 2018.

The public information meeting will take place from 4:30 p.m. to 7:30 p.m. on Wednesday, April 5th, 2017 at the Vinton County Community Building, 31935 State Route 93, McArthur, Ohio 45651. Information addressing the facility will be available. Company representatives will be available to respond to inquiries regarding the facility. If you have any questions, you may call the facility at (312) 638-8478.

This foregoing document was electronically filed with the Public Utilities

Commission of Ohio Docketing Information System on
