Re: AEP Case No. 16-~~1855~~ 1852-EL-SSO

I am writing to ask PUCO to Not Approve AEP's proposal to increase their upfront mandatory residential fixed fee by $5.00 per month this year and another $5.00 per month in 2018... To everyone. I am 75 years old, on a fixed income. I spend time phoning the Dispatch, ADT and others to reduce my monthly payment... and they do! AEP wants to increase ALL fixed rate bills by 119%. That is not good business for customers. It applies the same standard to all, regardless of how much electricity I use.

* Please PUCO, do not approve AEP's proposal Case No. 16-1855.
