Re: Sprint Communications Company L.P. Ohio Tariff PUCO No. 3
Case No. 10-2387-TP-COI

Dear Ms. McNeal:

Pursuant to Case No. 10-2387-TP-COI, requiring CLEC's to make their filing on or before June 1, 2017, Sprint states that its intrastate local switching rates are in compliance with the FCC Order and no tariff filing is needed. Sprint's tariff pages are attached supporting we are in compliance.

Rates contained in Sprint's Interstate Access Services Tariff No. 13 are at parity with the ILEC. Pursuant to the FCC's ICC Order; Sprint's Interstate Access Services Tariff No. 13 may need to be revised July 14, 2017 to reflect the ILEC's July 1, 2017 rate reductions. As such, both Sprint's Intrastate and interstate rates are in parity with the ILEC intrastate and interstate rates.

Should you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

\s\ Margaret R. Prendergast
