Re: *In the Matter of the Commission's Investigation into Intrastate Carrier Access Reform Pursuant to Sub. S.B. 162*, Case No. 10-2387-TP-COI
TSC Communications, Inc.

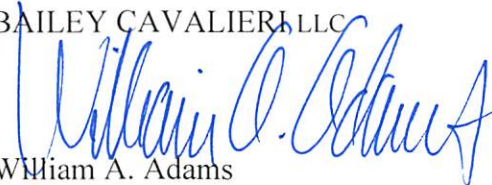

Dear Ms. McNeal:

This letter is being filed pursuant to the April 26, 2017 Entry in the above-referenced case. TSC Communications, Inc. ("TSCCI") hereby affirms that its tariffed intrastate access rates comply with the competitive local exchange company criteria set forth in 47 C.F.R. §§ 51.911(c) and 61.26(e) in accordance with the November 29, 2001 Finding and Order in PUCO Case No. 01-1348-TP-ATA.

TSCCI will be expanding its service area effective on July 1, 2017. In conjunction with that expansion, it will be amending its access tariff to eliminate the rural exemption so that its access rates will not exceed the rates of the competing incumbent local exchange carriers.

Very truly yours,
