RE: Verizon Access Transmission Services: Tariff No. 2
Letter of Compliance – Case No. 10-2387-TP-COI

2017 MAY 15 PM 1:34
PUCO

Dear Ms. McNeal:

Pursuant to Ordering paragraphs 6 and 8 of Public Utilities Commission of Ohio's ("PUCO") April 26, 2017 *Entry* in Case No. 10-2387-TP-COI, MCImetro Access Transmission Services Corp. d/b/a Verizon Access Transmission Services ("Verizon Access") submits this Letter of Compliance affirming its compliance with 47 C.F.R. §51.911, requiring competitive local exchange carriers to set intrastate terminating switched exchange access rates no higher than the carrier's corresponding interstate rates no later than July 3, 2017.

Verizon Access' Ohio intrastate switched access rates currently cross-reference its MCImetro Access Transmission Services Corp. d/b/a Verizon Access Transmission Services Tariff FCC No. 1 for default terminating switched access rates. Accordingly, Verizon Access' switched access rates are already in compliance with FCC requirements.

Please date stamp and return the extra copy of this letter to me in the enclosed self-addressed stamped envelope. If you have any questions regarding this filing, please contact me either at (312) 894-2349 or shannon.brown@verizon.com.

Respectfully submitted,

Shannon L. Brown
Tariff Manager
Verizon
