Dear Township of Greenville Residents and Businesses,

The Township of Greenville is excited to offer you an opportunity to participate in an Electric Governmental Aggregation Program with Dynegy as your provider.

Under governmental aggregation, the Township of Greenville Trustees/Board Members act on behalf of electric consumers in the Township of Greenville to negotiate an electric supply contract with an eligible provider. Both Township of Greenville and eligible retail electric suppliers have to be certified by the Public Utilities Commission of Ohio. Township of Greenville Trustees/Board Members passed a resolution to adopt the program after Township of Greenville voters approved its implementation on November 8, 2016. The aggregation program for after Township of Greenville will begin within one to two billing periods following your inclusion as a participant in the Township's program and end with your July 2020 meter read. As an eligible resident or small business, you will be automatically enrolled in the program unless you choose to opt-out (not participate) by **June 13, 2017**.

Program Details:

- **Fixed Electricity Price** of \$0.05269 per kWh through your July 2020 meter reading.
- **One energy bill** from Dayton Power & Light, your local utility provider
- **No Fee** to cancel at any time.
- By receiving this letter, you **do not need to do anything** to be a part of the program
- Dayton Power & Light continues to deliver your electricity and maintain the electric lines and respond to emergencies.

Program Enrollment

After your enrollment is finalized, Dayton Power & Light will send you a letter confirming your enrollment. As required by law, this letter will inform you of your ability to rescind your enrollment with no penalty.

How to Opt-Out

If you do not wish to participate, you must opt-out no later than **June 13, 2017**. You can do this by completing and returning the reply card below or by calling 888-682-2170.

If you choose to opt out (not participate), you may do so at no charge during this initial enrollment period and you will not be served by Dynegy. If you become part of the aggregation, you may cancel the agreement at any time at no charge by providing notice to Dynegy. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by your utility under its standard service offer or until you choose an alternative supplier of electric service. If you switch back to your utility you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility. For questions, contact Dynegy at DynegyCustomerService@dynegy.com or call 888-682-2170. Please see the enclosed Terms and Conditions for full details regarding the rate option and other terms of the program.

Regards,
