Re: PUCO Case No. 17-1298-GA-CSS
Complaint of the German Village Society v. Columbia Gas of Ohio – Meter Relocation

Dear Ms. McNeal:

This correspondence pertains to the Complaint filed on behalf of the German Village Society against Columbia Gas of Ohio in PUCO Case No. 17-1298-GA-CSS.

In the letter sent out to the German Village Society and to Columbia Gas of Ohio, a statement was made that the utility has 20 days to answer the complaint. I am sure these are just form letters, and I have no issue with the 20-day timeline for an answer to the Complaint portion of the filing.

As a part of the Complaint against Columbia Gas of Ohio's meter relocation in German Village, a Motion for a Temporary Injunction against any additional meter relocation, accompanied by a Request for Expedited Ruling, was included. The motion and the expedited request for injunction require a response within seven days. Due to the Memorial Day holiday, the date the response is due is Tuesday, May 30, 2017.

As this issue is urgent to the safety of German Village - and quick action by the PUCO has been requested by the Complainants - we just wanted to ensure that the seven-day response requirement was clear to those involved, interested or affected by each part of this proceeding.

Please feel free to contact me with any questions at (614) 462-5496. Thank you for your consideration.

Sincerely,

/s/ Christopher J. Allwein
