Dear Ms. McNeal:

AEP Ohio Transmission Company, Inc., (AEP Ohio Transco) files this pre-application notification letter in accordance with Rule 4906-6-03(A) Ohio Administrative Code (O.A.C.). According to this provision, a prospective applicant must file a pre-application letter at least five days prior to the filing of an accelerated application requesting an expedited review.

The proposed project consists of constructing a new 138 kV insulated box bay switchyard, and a new single-circuit interconnection with the existing Coalton SW-Lick 69 kV transmission line.

The construction schedule for this Project will be further described in the Letter of Notification. AEP Ohio Transco anticipates that construction of the transmission line will begin in approximately in August of 2017. The in-service date for the Project is approximately April of 2018.

Please be advised that pursuant to O.A.C. 4906-6-04, AEP Ohio Transco is requesting an expedited review of this Project.

Respectfully Submitted,
/s/ Hector Garcia
