Dear Sir or Madam:

I am a State Representative for one of the districts affected by the Duke – Central Corridor Pipeline in eastern Hamilton County.

I have taken the time to discuss this project with residents and local officials from the area that the pipeline may pass through. I even spoke with residents again on Memorial Day. Everyone that I spoke with is in full support of the pipeline because of the potential for economic development that this very important infrastructure project could bring.

From this feedback, I can only stand in full support of this project and encourage you to proceed promptly.

Sincerely,

Tom Brinkman Jr.  
State Representative  
27<sup>th</sup> Ohio House District
