

# THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE ANNUAL  
REPORTS FOR THE FISCAL ASSESSMENT  
OF ALL REGULATED ENTITIES.

CASE NO. 17-01-AU-RPT

## FINDING AND ORDER

Entered in the Journal on August 16, 2017

### I. SUMMARY

{¶ 1} The Commission directs all regulated entities who have failed to file a 2016 annual report for fiscal assessment to do so by August 30, 2017, and assesses a civil forfeiture of \$1,000 against every company listed in the attachment of this Finding and Order which fails to comply with this Finding and Order.

### II. DISCUSSION

{¶ 2} R.C. 4905.10 requires each railroad and public utility to pay an annual assessment based upon their intrastate gross earnings for the purpose of maintaining the operations of this Commission.<sup>1</sup> In order to calculate such assessment, R.C. 4905.14 requires each public utility to file an annual report with the Commission. R.C. 4905.10(A) sets a minimum assessment of \$100 per company, regardless of their intrastate gross revenues in the reporting year.

{¶ 3} R.C. 4905.54 empowers the Commission to assess a forfeiture of not more than \$10,000 per day for each violation or failure of a public utility or railroad, or an officer of a public utility or railroad, to comply with an order, direction, or requirement of the Commission made under authority of R.C. Chapter 4905.

---

<sup>1</sup> R.C. 4905.03(A) defines public utility companies to include telephone companies, electric light companies (except regional transmission organizations), heating or cooling companies, natural gas distribution companies, pipeline companies, and water-works and sewage disposal system companies. Railroad, bridge, and water transportation companies are included in the annual reporting requirement under R.C. 4907.02 and 4907.20. All certified retail electric and natural gas suppliers and aggregators are also subject to this reporting requirement under R.C. 4928.06 and 4929.23; while R.C. 4905.10(D) provides that, for the purpose of annual assessment, "public utility" includes electric and gas suppliers and aggregators subject to certification under R.C. 4928.08 and 4929.20, respectively.

{¶ 4} On February 1, 2017, the Commission issued an Entry directing each reporting entity subject to fiscal assessment for the 2016 calendar year to submit its annual report using the Commission's on-line system by May 31, 2017, or to file a motion requesting a waiver for good cause shown. All reporting entities were reminded that a \$1,000 civil forfeiture might be assessed, pursuant to R.C. 4905.54, against any entity failing to comply, absent good cause shown. Such forfeiture would be in addition to any amounts owed this Commission.

{¶ 5} The Commission's records reflect that the companies listed on the attachment to this Finding and Order have failed to submit a 2016 annual report for the corresponding certificate or operating authority shown on the attachment. Each listed company must now submit a 2016 annual report for the listed certificate or operating authority by August 30, 2017. Furthermore, failure to file the indicated 2016 annual report by the August 30, 2017 deadline will result in a \$1,000 forfeiture pursuant to R.C. 4905.54. This civil forfeiture will be in addition to any 2017 annual assessment due to the Commission. Finally, each company is hereby notified that the listed certificate or operating authority may be rescinded for failure to comply with this Finding and Order, and such failure to comply may be considered with respect to any future applications for certificate or operating authority.

### III. ORDER

{¶ 6} It is, therefore,

{¶ 7} ORDERED, That each entity listed on the attachment to this Finding and Order submit a 2016 annual report for the corresponding listed certificate or operating authority shown on the attachment by August 30, 2017. It is, further,

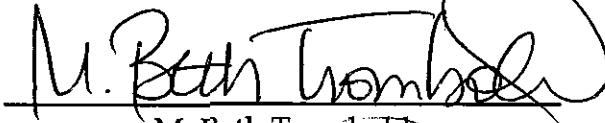

{¶ 8} ORDERED, That a civil forfeiture of \$1,000 be assessed against each entity listed on the attachment to this Finding and Order that fails to comply with Paragraph 5. It is, further,

{¶ 9} ORDERED, That notice of this Finding and Order be served via the Electric-Energy, Gas-Pipeline, Railroad, Telephone, and Water industry listserves, and a copy of this Finding and Order be served, by both regular and certified mail, upon each company listed on the attachment, and upon all parties of record.
