Pursuant to our telephone conversation yesterday, I will prepare a Commission entry dismissing your application in Case No. [17-650-EL-CRS](#) for certification as a power marketer under Ohio Adm.Code [4901:1-24-10\(U\)](#).

You should instead file for certification as a power broker under Ohio Adm.Code [4901:1-24-01\(T\)](#), since your company will not take title to the power. The application forms and instructions are posted at <http://www.puco.ohio.gov/puco-forms/competitive-retail-electric-service-provider-certification-applications-and-filing-instructions/> (you want the [Aggregators/power brokers initial application form](#)). If you have any questions about the application form or requirements, please contact Melissa at [614-644-7947](tel:614-644-7947).

Please keep in mind that your certification will need to be renewed every 2 years. In addition, you'll have to file a yearly fiscal assessment report and pay at least a \$100 minimum to both the PUCO and Office of Consumers' Counsel. You might want to look at [Annual reports - frequently asked questions](#) for more information.

Please call me if you have any questions regarding this matter.
