Re: The Dayton Power and Light Company Case No. 15-971-EL-ATA, 89-6004-EL-TRF

Docketing Division:

DP&L submits a revised Poles, Ducts, and Conduits Attachment Tariff (PUCO No. 2) Original Sheet No. 2 to correct a typo that was contained in its August 4<sup>th</sup> filing. Specifically the rate is effective April 12, 2017 per the Commission's Entry on Rehearing dated July 26, 2017 in Case No. 15-971-EL-ATA. Therefore the year the new rate is pro-rated is 2017, not 2016. These final Tariff Sheets are intended to cancel and supersede all preceding sheets and bear and effective date of April 12, 2017 consistent with the Commission's order.

Please contact me at (937) 259-7808 if you have any questions. Thank you very much for your assistance.

Sincerely,
