Brown Township Natural Gas Government Aggregation Program with Volunteer Energy

Dear Brown Resident,

Brown Township is providing you with the opportunity to join with other residents to save money on the natural gas you use. Savings are possible through a concept called government aggregation, where Township officials bring together citizens to gain group-buying power for the purchase of natural gas from a retail supplier certified by the Public Utilities Commission of Ohio. Township voters approved this program in November of 2017.

During the past few months, we have researched options for competitive natural gas pricing for you. We have chosen Volunteer Energy Services Inc, (Volunteer Energy) an Ohio based corporation to provide you with natural gas for the term of November 2017 through October 2019.

You will be automatically enrolled (as a new Participant) in the Township's Natural Gas Governmental Aggregation Program unless you choose to "opt out"—that is, affirmatively choose not to participate. If you wish to be excluded from the program you can call Volunteer Energy toll free at **1-800-977-8374** or return the enclosed "Opt-Out" form by October 9th, 2017. Otherwise, you will be included in the aggregation program. If you do not opt out at this time, you will receive a notice at least once every 2 years asking if you wish to remain in the program. However, you do not need to do anything to participate. There is no cost for the enrollment and you will not be charged a switching fee.

Price: Volunteer Energy is pleased to offer natural gas for your home or business at a guaranteed savings of a 3% discount off of Vectren Energy's Standard Choice Offer (SCO) rate adder, which is currently at \$0.100 per Ccf at the burner tip. A reduction of 3% would reduce this rate adder to \$0.097 per Ccf. The initial rate will be calculated just like Vectren Energy at NYMEX (the price set by the New York Mercantile Exchange) plus \$0.097 per Ccf through March 31, 2018. Again, please note that the 3% fixed discount would apply only to the rate adder, which is a portion of your total monthly charges. The 3% fixed discount would not apply to the total amount of your monthly natural gas bill.

After you become a participant in the Township's natural gas aggregation program, Vectren will send a letter confirming your selection of Volunteer Energy as your natural gas provider. As required by law, this letter will inform you of your option to cancel your enrollment with Volunteer Energy within seven business days of its postmark date. To remain in the Township's government aggregation program, you don't need to take any action when this letter arrives. You will be automatically enrolled.

Vectren will always be responsible for ensuring the distribution of natural gas to your premises and will continue to maintain your meter, the monthly reads and the lines that deliver natural gas to your home. Your natural gas bill will also continue to come from Vectren. The only change you'll notice is savings and the name of your new gas supplier, Volunteer Energy, included on your bill.

If you have any questions, please call Volunteer Energy toll free at **1-800-977-8374** Monday through Friday, 9:00 a.m. to 4:00 p.m.

Regards

Brown Township

Termination/Rescission of Agreement: You may terminate / rescind your natural gas supply enrollment with VESI within seven (7) days of the post mark date of the confirmation letter from Vectren Energy. After the initial seven (7) day period, either you or VESI may terminate the contract at any time by providing the non-terminating party thirty (30) days written notice of such termination, without penalty. You will remain responsible for all natural gas consumed by you prior to the actual termination of service. If your supply contract with VESI is terminated, your natural gas supply will automatically be provided by Vectren Energy under its standard tariff unless or until you choose another supplier. If you voluntarily terminate participation in the Village of the Winterville's natural gas governmental aggregation program, you may be charged a price other than the Vectren Energy regulated sales service rate. **There will be no early termination fees associated with The Brown Township's program.** Service will automatically terminate upon the occurrence of any of the following: (1) the requested service location is not served by Vectren Energy; (2) you move outside the Vectren Energy service area or to an area not served by VESI; or (3) VESI terminates your supply agreement and returns you as a customer to Vectren Energy. You have the right to terminate natural gas service with VESI, without penalty, for any reason at any time.

Program Compliance: Vectren Energy's deregulation program is subject to the ongoing jurisdiction of the PUCO. If the PUCO cancels the program, this contract is rendered void with no penalty to either party. The laws of the State of Ohio will govern the terms of natural gas supply.

VESI's fixed rate excludes Vectren Energy charges and taxes. To be eligible to participate in the Brown Township's natural gas aggregation program, you must: (1) have a residence or business located in the Brown Township; (2) be eligible to receive natural gas from Vectren Energy; (3) meet Ohio non-mercantile requirements; (4) be current with your natural gas payments or payment arrangements; (5) not be enrolled in the PIPP program; and (6) currently not taking natural gas supply service from another natural gas marketer.
