14-1297-EL-SSO

Dear Commission,

I am a property owner in Bratenahl, Ohio. I hope you will be sensitive to the needs of my family and me. Do not take away my power of choice and efficiency in selecting my energy choice. The season for using coal is over and obsolete.

I want to be able to choose energy saving upgrades ie; efficiency appliances and solar. I want clean energy!

Deborah Longino Lye
