Dear PUCO,

Dear Chairman Haque and Commissioners of the PUCO,

I am pleased AEP's recent stipulation in case 16-1835 and new plan removes the Company's proposed egregious fixed rate increase. The original proposal would have increased my bill every month and put an undue burden on electricity customers on a fixed income.

I am also pleased with AEP's new proposals to increase electric vehicle infrastructure, create a new micro-grid pilot project, and commitment to finding ways to best fund and develop new clean energy projects. These are the sort of forward thinking proposals Ohio needs more of and I'm pleased AEP has taken the initiative.

It is my hope the PUCO approves AEP's plan and prioritizes clean energy development, and additional forward thinking proposals.

Sincerely,

Jeffrey Tilton
