Re: Columbia Gas of Ohio Transportation Services/Customer Choice Program

To Whom It May Concern:

MPOWER ENERGY NJ, LLC has applied to provide Transportation Services and Customer Choice on Columbia Gas of Ohio, Inc. ("Columbia Gas") distribution system. Columbia has completed the credit evaluation and has determined that MPOWER ENERGY NJ, LLC has met the conditions required to be considered an approved supplier, provided that MPOWER ENERGY NJ, LLC posts any necessary financial security with Columbia. Upon receipt of the any financial security required by Columbia and the execution of the required agreements, MPOWER ENERGY NJ, LLC will be permitted to provide Transportation Services [or Customer Choice services] to Columbia Gas customers.

If the Supplier's creditworthiness changes in the future, it may become necessary for Columbia Gas require Supplier to provide additional financial security to Columbia Gas in order to continue as approved Supplier.

Please feel free to contact me at 614-460-4881 should you have any questions.

Sincerely,

Debbie Vair
Manager, Transportation Programs and Nominations
