Re: Oregon Clean Energy, LLC
Case Nos. 12-2959-EL-BGN and 14-1396-EL-BGA

Dear Ms. McNeal:

The Ohio Power Siting Board ("Board") in its October 27, 2014 Order on Certificate Amendment approving Oregon Clean Energy, LLC's ("OCE") Amendment to its Certificate of Environmental Compatibility and Public Need to Construct an Electric Generation Facility ("Order") required OCE to notify the Board once the switchyard site was transferred to American Transmission Systems, Incorporated ("ATSI").

The ownership of the switchyard was transferred from OCE to ATSI on September 25, 2017. Thus, OCE is in compliance with the Board's Order.

If you have any questions please call at the number listed above.

Sincerely,

Sally W. Bloomfield

Cc: Grant Zeto
Chris Cunningham
