Description of the Transaction and Public Interest Considerations

Sycamore Telephone Company ("Sycamore") and STC Long Distance ("STC") (Sycamore and STC collectively, the "Parties"), hereby seek approval from the Public Utilities Commission of Ohio ("Commission") of a pending transaction between Sycamore and STC pursuant to which Sycamore will transfer its Ohio intrastate and interstate long distance customer base to STC (the "Transaction"). Sycamore is currently offering Bright Long Distance ("BLD") intrastate and interstate long distance service to subscribers.

I. DESCRIPTION OF THE PARTIES

A. Sycamore Telephone Company

Sycamore Telephone Company is a corporation for profit with headquarters located at 104 East 7th Street, Sycamore, OH 44882. Sycamore has an arrangement with Bright Long Distance (BLD) to provide long distance services to its customers. International long distance services will continue to be offered by BLD. Intrastate and interstate long distance services will be offered by STC.

B. STC Long Distance

STC is located at 104 East 7th Street, Sycamore, OH 44882 and registered with the Secretary of the State of Ohio on May 11, 2017. STC intends to provide intrastate and interstate long distance services to Sycamore subscribers.

II. DESIGNATED CONTACTS

III. DESCRIPTION OF THE TRANSACTION

Sycamore Telephone Company added the trade name, STC Long Distance, as a division of the company to offer intrastate and interstate long distance services to its customers. None of the existing tariff pages are affected by the addition of this trade name according to Rule 4901:1-6-11(A) (2) of the Ohio Administrative Code (OAC) and Public Utilities Commission of Ohio (PUCO) Case No. 10-1010-TP-ORD. Sycamore Telephone Company understands that while there is no requirement to include telecommunications' services in a tariff, the service is subject to Commission oversight as provided in Chapter 4927 of the Ohio Revised Code (ORC) and Chapter 4901:1-6 of the OAC.

Use of the trade name will be for marketing reasons and will not affect associated rates, terms or conditions of the service.

The proposed transfer will affect all current Sycamore customers in Ohio, none of whom will experience any change to the terms and conditions of their services because of the transfer. The transfer is scheduled to occur upon the receipt of all necessary regulatory approvals.

Exhibit D contains a draft of the Customer Notice letter that will be provided to Sycamore customers in accordance with Ohio and Federal Communications Commission ("FCC") requirements, and **Exhibit E** contains an Affidavit regarding the Customer Notice.

Upon completion of the Transaction and the migration of customers to STC, Sycamore will no longer offer intrastate or interstate BLD long distance services in Ohio.

IV. PUBLIC INTEREST ANALYSIS

Approval of the proposed Transaction serves the public interest. The proposed Transaction will ensure that affected customers enjoy continuity of high-quality long distance service. As discussed above, customers will be given prior written notice of the transfer of their account to STC, in compliance with state and FCC Customer Notice rules. Following the Transaction, Sycamore customers will continue to receive intrastate and interstate long distance services from STC consistent with the quality of services currently provided by BLD. As a result, the proposed Transaction will be transparent to Sycamore customers. Consequently, the proposed Transaction will not have a negative impact on the public interest, services to Ohio customers, or competition.

EXHIBIT D

(The following Customer Notice was sent with the October 1, 2017 subscriber bills and will be sent again with the November 1, 2017 bills.)

Dear Bright Long Distance Customer:

Your current long distance company, Bright Long Distance LTD (BLD) has agreed to transfer a portion of its customer base to Sycamore Telephone Company. Beginning on or after December 1, 2017, STC Long Distance (STC LD), a division of Sycamore Telephone Company (STC), will become your new domestic (US) long distance telecommunication service provider. The specific date of the transfer may differ depending upon when we receive the necessary Federal & State regulatory approvals. This transaction will not affect the service you currently receive. You will continue to receive services with the same rates, features, terms and conditions as you currently enjoy. Billing will continue to be provided by STC just as it has been. In the event that changes are made to your service, you will be notified by separate mailing or bill message at least thirty (30) days prior to the changes becoming effective. BLD will continue to provide your international long distance service and STC will continue to act as their agent for billing & collection as well as customer service. You will not incur any charges for the transfer of your long distance account to STC LD. All charges associated with that transfer will be borne by STC LD. Although you have the right to select the long distance carrier of your choice, we value your business and hope that STC LD may continue to serve you. If you choose another long distance provider, you will need to contact that carrier directly to arrange for the change prior to the transfer of your services to STC LD. You may also incur service initiation fees from that provider for establishing a new service account. If you have a preferred carrier freeze on your account it will be automatically lifted to implement the transfer to STC LD. You will need to contact STC LD or the long distance provider you selected to arrange for a new freeze. STC will be responsible for responding to any customer inquiries or complaints prior to and during the transfer of service from BLD to STC LD. Our toll free customer service number is 844-927-6012 (or 419-927-6012), which will remain the same after your services are transferred. We welcome you to STC LD and look forward to providing the same high quality service to which you have grown accustomed with BLD.

EXHIBIT E

Customer Notice Affidavit

I, Rick Ekleberry, General Manager of Sycamore Telephone Company hereby certifies under the penalty of perjury that Customer Notices will be sent approximately no later than thirty (30) days prior to the close of the transaction, to all affected customers in the state of Ohio in accordance with Rules 4901:1-6-7 and 4901:1-6-29, Ohio Administrative Code.
