## **INITIAL CERTIFICATION FILING INSTRUCTIONS COMPETITIVE RETAIL NATURAL GAS SUPPLIERS**

**I. Where to File:** Applications should be sent to: Public Utilities Commission of Ohio, Docketing Division, 180 East Broad Street, Columbus Ohio 43215-3793.

**II. What to File:** Applicant must submit one original notarized application signed by a principal officer and three copies including all exhibits, affidavits, and other attachments. All attachments, affidavits, and exhibits should be clearly identified. For example, Exhibit C-10 should be marked “Exhibit C-10 "Corporate Structure.” All pages should be numbered and attached in a sequential order.

**III. Which Forms to File:** In order to supply competitive retail natural gas service (CRNGS), all suppliers are required to become certified by the Public Utilities Commission of Ohio. The information one must file, however, differs depending on the type of CRNGS that the applicant will provide. For example, a broker and/or aggregator will not file the same information as a competitive retail natural gas marketer applicant.

Because a qualifying marketer may also qualify as a broker and/or aggregator, the marketer applicant may, when applying for competitive retail natural gas marketer certification, use the form provided for competitive retail natural gas suppliers to also apply for broker and/or aggregator certification. Checkboxes are provided on the form to indicate desired status.

A summary of CRNGS definitions (from the Commission’s certification rules) is provided below to help applicants determine which application form to use. Three separate application forms are provided, one each for the following services.

- ☐ **Competitive Retail Natural Gas Supplier (Marketer, Broker, Aggregator)**
- ☐ **Competitive Retail Natural Gas Broker/Aggregator**
- ☐ **Ohio Natural Gas Governmental Aggregator**

### **IV. Certified Entity Service Definitions:**

**Competitive Retail Natural Gas Service** - any retail natural gas service that may be competitively offered to consumers in this state.

**Competitive Retail Natural Gas Supplier** - a person that is engaged in a for-profit or not for-profit basis in the business of supplying or arranging for the supply of a CRNGS to consumers in this state that are not mercantile customers. “Retail natural gas supplier” includes a marketer, broker, or aggregator, but excludes a natural gas company, a governmental aggregator, a billing or collection agent, and a producer or gatherer of gas that is not a natural gas company.

**Competitive Retail Natural Gas Marketing Service** – assuming the contractual and legal responsibility for the sale and provision of CRNGS to a retail natural gas customer in this state and having title to natural gas at some point during the transaction.

**Competitive Retail Natural Gas Brokerage Service** – assuming the contractual and legal responsibility for the sale and/or arrangement for the supply of CRNGS to a retail customer in this state without taking title to the natural gas.

**Competitive Retail Natural Gas Broker** - a person who provides retail natural gas brokerage service.

**Competitive Retail Natural Gas Aggregation Service** - combining the natural gas load of multiple retail residential customers or small commercial customers via an agreement with the customers for the purpose of purchasing retail natural gas service on an aggregated basis.

**Competitive Retail Natural Gas Aggregator** - a person who contracts with customers to combine the customers' natural gas load for the purposes of purchasing CRNGS on an aggregated basis.

**Natural Gas Governmental Aggregator** - The legislative authority of a municipal corporation, the board of township trustees, or a board of county commissioners acting exclusively under Section 4929.26 or 4929.27 of the Revised Code as an aggregator for the provision of CRNGS. For the purposes of this definition, "governmental aggregator" specifically excludes a municipal corporation acting exclusively under Section 4 of Article XVIII, Ohio Constitution, as an aggregator for the provision of CRNGS.

**V. Application Form:** The application is available on the Commission's web site, [www.puco.ohio.gov](http://www.puco.ohio.gov) or directly from the Commission at: Public Utilities Commission of Ohio, Docketing Division, 180 East Broad Street, Columbus Ohio 43215-3793.

**VI. Confidentiality:** An applicant may file financial statements, financial arrangements, and forecasted financial statements under seal. If these exhibits are filed under seal, they will be afforded protective treatment for a period of six years from the date of the certificate for which the information is being provided.

An applicant may file a motion for a protective order for other information not filed under seal per the previous paragraph. If the motion is filed in conformance with rule 4901:1-27-07 of the Administrative Code, it shall be automatically approved on the thirty-first day after the date of filing and the information shall be afforded protective treatment for a period of six years from the date of the certificate for which the information is being provided, unless the commission or an attorney examiner appointed by the commission rules otherwise.

At the expiration of the six-year period provided for in the previous paragraphs, the information will be automatically released into the open record. An applicant wishing to extend a protective order beyond the six-year time period must comply with paragraph (F) of rule 4901-1-24 of the Administrative Code.

**VII. Commission Process for Approval:** An application for certification shall be made on forms approved and supplied by the Commission. The applicant shall complete the appropriate application form in its entirety and supply all required attachments, affidavits, and evidence of capability specified by the form at the time an application is filed. The Commission certification process begins when the Commission's Docketing Division receives and time/date stamps the application. An incomplete application may be suspended or rejected. An application that has been suspended as incomplete may cause delay in certification.

The Commission may approve, suspend, or deny an application within 30 days. If the Commission does not act within 30 days, the application is deemed automatically approved on the 31<sup>st</sup> day after the official filing date. If the Commission suspends the application, the Commission shall notify the applicant of the reasons for such suspension and may direct the applicant to furnish additional information. The Commission shall act to approve or deny a suspended application within 90 days of the date that the application was suspended. Upon Commission approval, the applicant shall receive notification of approval and a numbered certificate that specifies the service(s) for which the applicant is certified and the dates for which the certificate is valid.

Unless otherwise specified by the Commission, a competitive retail electric service provider's certificate is valid for a period of two years, beginning and ending on the dates specified on the certificate. The applicant may renew its certificate in accordance with Rule 4901:1-27-09 of the Ohio Administrative Code.

CRNGS (competitive retail electric service) providers shall inform the Commission of any material change to the information supplied in a certification application within thirty days of such material change in accordance with Rule 4901:1-27-11 of the Ohio Administrative Code.

**VIII. Contractual Arrangements for Capability Standards:** If the applicant is relying upon contractual arrangements with a third-party, to meet any of the certification requirements, the applicant must provide with its application all of the following:

- ☐ The legal name of any contracted entity;
- ☐ A statement that a valid contract exists between the applicant and the third-party;
- ☐ A detailed summary of the contract(s), including all services provided thereunder; and
- ☐ The documentation and evidence to demonstrate the contracting entity's capability to meet the requirements as if the contracting entity was the applicant.

**IX. Questions:** Questions regarding filing procedures should be directed to

[CRNGS@puc.state.oh.us](mailto:CRNGS@puc.state.oh.us)

**X. Governing Law:** The certification/renewal of CRNGS suppliers is governed by Chapters 4901:1-27 and 4901:1-29 of the Ohio Administrative Code, and Section 4929.20 of the Ohio Revised Code.

## **Exhibit B-2 “Experience & Plans”**

### **Current Power & Gas Inc.**

Current Power & Gas Inc.’s leadership has deep experience in the energy and commodities industry. Already licensed as a CRES provider in Ohio and serving commercial and industrial customers, Current plans to conduct natural gas sales exclusively through brokers and consultants. Current plans to serve all customer classes through all natural gas utility territories in Ohio. All billing will occur through the four utility territories using their standard bills with reference to Current as the Natural Gas Supplier, including Current’s toll-free number for Customer Support – (800) 975-7202. Current has included sample agreements for each customer class in each utility territory in this Exhibit.

One of Current’s executive team led sales and operations for multibillion dollar commercial and residential providers, Stream Energy. Stream Energy is an 8-billion-dollar provider of electricity and natural gas in multiple markets including PJM.

Current plans to use a process named Guardian Care to ensure education of residential and small commercial natural gas clients. This process starts in deal capture ensuring the customer is aware of the terms of the agreement as well as knowingly committed to those terms. Current will release a Welcome Package documenting those terms and disclosing the facts about our natural gas services. A second welcome will be made after their first bill is released ensuring that it arrived, and that billing addresses and terms of the agreement were met. All of this is done in coordination with our third-party channel which will receive regular training on our products and the terms.

All consumer information, customer service calls, proposals and agreements are stored in an intrusion safe industry leading CRM system called salesforce.com. customized for Current’s specific business model. Utilizing the functionality provided by Customized Energy Solutions' (with which Current has contracted for back office support as further detailed in Exhibit D-2) software system, it will serve, and manage the customer’s energy agreement from prospect through the entire natural gas agreement. Compliance reporting will be facilitated from these systems allowing Current to provide timely information to regulators as required.

## Terms of Service

The following Terms of Service, together with the attached Client Information and Service Location forms (collectively, the “Energy Service Agreement”), constitute an agreement by Client to purchase electricity for residential use. Subject to the Energy Service Agreement, Current Power & Gas Inc. (“CPG”) agrees to deliver: Together Client and CPG shall be known as ‘Parties’ and individually may be referred to as ‘Party’. CPG is a licensed Competitive Retail Natural Gas Service provider and as such will, in accordance with the terms of this Agreement, will supply the commodity portion of my natural gas, and COH will continue to be my Utility Company and is not an affiliate of Columbia Gas Ohio.

1 Natural Gas Price:

☐ Fixed Rate: Fixed Rate of \$ \_\_\_\_\_ Ccf for the Term

☐ Variable Rate: Variable Rate which the monthly gas price during the Term is defined as NYMEX (New York Mercantile Exchange) last day settlement price of each month converted to /Ccf using Columbia Gas Ohio’s then current BTU Conversion factor plus an adder of \$ \_\_\_\_\_ per Ccf.

After the Term, this Agreement with CPG will automatically renew on a month to month basis on CPG’s Market Price Program. Above mention prices do not include applicable taxes and/or utility distribution charges and Client acknowledges responsibility for the total payment of these charges on the monthly COH utility bill.

2 Billing and Payment: Client acknowledges that only one monthly bill will be issued by COH each month and will contain CPG’s gas price plus applicable taxes, utility transportation and other applicable charges including any late fees assessed by Utility invoice in a timely manner (including CPG’s charges). Client will pay COH invoice for the entire natural gas amount under their terms and conditions. If Client fails to pay said invoice in a timely manner, Client also acknowledges that COA may disconnect service to Service Locations according to tariff guidelines. I understand that CPG may terminate this agreement with fourteen (14) days written notice if Client fails to pay an invoice or meet any payment arrangements made in writing. Client may request, at no charge, up to 24 months of payment history for services rendered by CPG.

3 Term: This agreement shall become effective after acceptance and signature by both Client CPG (‘Effective Date’). CPG reserves the right to reject this Agreement by providing written notice within 10 normal business days for any reason. Service will commence on the first possible meter read after the Start Date for each Service Location at the Price documented within this Agreement.

4 Security Deposit: By requesting service, you acknowledge that CPG has the right to check your credit history during the enrollment process. Upon checking your credit history, CPG may determine that a security deposit is required. The amount determined due by CPG shall be paid within ten (10) days of the date the request is made. If Client fails to make such a deposit within this timeframe, Service Locations within this Agreement will not be enrolled for service with CPG. At the End of Term, CPG will apply the deposit to the final bill and promptly refund any excess to Client when service is terminated. Interest will be included with the refunded deposit in accordance with the rate listed by PUCO, if applicable.

6 Force Majeure; “Force Majeure” shall mean an event that is beyond the reasonable control either Client or CPG claiming an event of Force Majeure that could not have been prevented by the exercise of due diligence. If either Client or CPG is rendered unable by Force Majeure to carry out, in whole or part, its obligations under this Agreement, such Party shall give notice and provide full details of the event to the other Party in writing as soon as practicable after the occurrence of the event. During such Force Majeure period, the obligations of the Parties (other than the obligation to make payments then due or becoming due with respect to performance prior to the event) will be suspended to the extent required. The Party claiming Force Majeure will make all reasonable attempts to remedy the effects of the Force Majeure and continue performance under this Agreement with all reasonable dispatch; provided, however, that no provision of this Agreement shall be interpreted to require CPG to deliver, or Client to receive, natural gas at points other than the service locations. Force Majeure shall not include economic loss due to Customer’s loss of markets or suppliers.

7 Default; If Client fails to make any payment required by this Agreement and such failure is not cured within fourteen (14) days of receiving written notice from CPG or if Client cancels agreement prior to the end of Term, CPG shall have the right (i) to liquidate and terminate any and all agreements hereunder and/or (ii) suspend performance (iii) collect Termination Fees from Client. Termination fees this agreement will be \$100.00. Client is responsible for all charges through the date your cancellation is finalized by Utility.

8 Limitation of Liability; Disclaimer of Warranties: FOR BREACH OF ANY PROVISION FOR WHICH AN EXPRESS REMEDY IS PROVIDED, SUCH EXPRESS REMEDY WILL BE THE SOLE AND EXCLUSIVE REMEDY. IF NO EXPRESS REMEDY IS PROVIDED, A PARTY’S LIABILITY WILL BE LIMITED TO DIRECT ACTUAL DAMAGES ONLY. NEITHER PARTY WILL BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES, LOST PROFITS OR OTHER BUSINESS INTERRUPTION DAMAGES, BY STATUTE, IN TORT OR CONTRACT, UNDER ANY INDEMNITY PROVISION OR OTHERWISE. THE PARTIES INTEND THAT THE LIMITATIONS HEREIN IMPOSED ON REMEDIES AND THE MEASURE OF DAMAGES BE WITHOUT REGARD TO THE CAUSES RELATED THERETO INCLUDING THE NEGLIGENCE OF ANY PARTY, WHETHER SUCH NEGLIGENCE IS SOLE, JOINT OR CONCURRENT, OR ACTIVE OR PASSIVE. TO THE EXTENT ANY DAMAGES REQUIRED TO BE PAID HEREUNDER ARE CHARACTERIZED OR DEEMED TO BE LIQUIDATED DAMAGES, THE PARTIES ACKNOWLEDGE THAT THE DAMAGES ARE

DIFFICULT OR IMPOSSIBLE TO DETERMINE, OBTAINING AN ADEQUATE REMEDY IS INCONVENIENT AND THE LIQUIDATED DAMAGES CONSTITUTE A REASONABLE APPROXIMATION OF THE HARM OR LOSS. EXCEPT FOR ANY REPRESENTATIONS AND WARRANTIES SET FORTH HEREIN, CURRENT EXPRESSLY DISCLAIMS AND MAKES NO WARRANTIES, WHETHER WRITTEN OR ORAL, WITH RESPECT TO THE ELECTRICITY SUPPLIED UNDER THIS AGREEMENT, INCLUDING EXPRESS, IMPLIED OR STATUTORY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, THE LIMITATIONS SET FORTH IN THIS PARAGRAPH SHALL SURVIVE THE EXPIRATION OR EARLY TERMINATION OF THIS AGREEMENT. FURTHER, IT IS UNDERSTOOD CURRENT SHALL NOT BE LIABLE FOR MATTERS WITHIN THE CONTROL OF THE EDC OR THE ISO, WHICH MAY RESULT FROM THE MAINTENANCE OR OPERATION OF ELECTRIC LINES AND SYSTEMS.

- 9 Assignment; Neither Party may assign this Agreement or any of its rights or obligations under this Agreement without the express written consent of the other Party, which consent shall not be unreasonably withheld. Notwithstanding the above, CPG may, without the consent of Client, (a) assign this Agreement to any affiliate or to any party succeeding to a substantial portion of the assets of Current, or (b) assign, pledge or otherwise collaterally assign its rights under this Agreement to Current supplier of certain physical and/or financial commodities. Should CPG assign this Agreement to another provider, you shall receive, at a minimum, fourteen (14) calendar days prior written notice. Any successor or assignee of the rights of either Party shall be subject to all the provisions and conditions of this Agreement to the same extent as though such successor or assignee were the original Party under this Agreement. Any attempted transfer or assignment in violation of this assignment clause is null and void.
- 10 Regulatory Event; If there is a change in law, administrative regulation, rule, ISO design or structure, order, judicial decision, statute, or a change in an interpretation or application of any of the foregoing (collectively, a "Regulatory Event") and such Regulatory Event causes CPG to directly or indirectly incur any capital, operating, commodity or other costs (including, but not limited to increased Taxes) relating to the provision of services contemplated herein above those existing prior to the date of the Regulatory Event, then Current shall be permitted to either pass through the economic effects of such Regulatory Event to you or terminate this Agreement by providing you with thirty (30) days' notice.
- 11 Moving/Termination: Client acknowledges that this Agreement will automatically terminate without penalty if (i) Client relocates outside of COH service territory or (ii) if the requested service location is not served by COH or (iii) if Client relocates inside the COH's service territory and the COH does not have contract portability. Client agrees that if relocation is within the COH service territory and do not exercise the right to cancel, this Agreement may continue for service at the new Service Locations, and thereby grant COH the right to provide CPG with account and meter number(s) for the new Service Locations, and to transfer this agreement to Client's new location. If requested by CPG, Client will also provide them with this information. If CPG does not transfer this Agreement for service at my new location within 90 days of relocation, this Agreement will automatically terminate.
- 12 Rescission Period: Client may rescind this enrollment without penalty within seven (7) business days from post-mark date on the confirmation notice. To do so, client should contact CPG at 800.975.7202, or your utility company's customer service number listed on your bill.
- 13 Cancellation: Client may terminate this agreement without any Termination Fee within 7 business days of the Rescission Period. If Client cancels the agreement prior to the End Date, a Termination Fee of \$100 will be charged. Client is responsible for all charges through the date of cancellation which is finalized by DOE. If Client returns back to the Utility Company as the provider of Natural gas, The Utility may charge a switch fee if the Client has already switched once before within a 12 month period.
- 14 Governing Law: This Agreement and all claims arising out of or relating to its subject matter shall be exclusively governed by and construed under the internal laws of the State of Ohio without regard to principles of conflict of laws.
- 15 Representations & No Waiver; Each Party represents to the other that: (a) it is validly existing and in good standing in the jurisdiction of its formation; (b) it has not filed, does not plan to file or had any Bankruptcy proceeding filed against it; (d) execution of this Agreement has been duly authorized and is a valid and enforceable obligation; and (e) it is not a party to or subject to any commitment that may restrict or interfere with the delivery of natural gas under this Agreement. Client further represents and warrants that (a) the information provided on your Enrollment Form concerning the Service Address(es) and Accounts are true, complete and correct; (b) you are authorized to switch your electric generation service for the Service Address(es) and Accounts you have designated in the Enrollment Form; (c) any transactions entered into by you related to this Agreement are understood by you and made at Client's sole election in the exercise of independent judgment and Client assumes any risk associated with them.

## Terms of Service

The following Terms of Service, together with the attached Client Information and Service Location forms (collectively, the “Energy Service Agreement”), constitute an agreement by Client to purchase electricity for residential use. Subject to the Energy Service Agreement, Current Power & Gas Inc. (“CPG”) agrees to deliver: Together Client and CPG shall be known as ‘Parties’ and individually may be referred to as ‘Party’. CPG is a licensed Competitive Retail Natural Gas Service provider and as such will, in accordance with the terms of this Agreement, will supply the commodity portion of my natural gas, and Duke Energy Ohio (“DEO”) will continue to be my Utility Company and is not an affiliate of DEO.

1 Natural Gas Price:

☐ Fixed Rate: Fixed Rate of \$ \_\_\_\_\_ Ccf for the Term

☐ Variable Rate: Variable Rate which the monthly gas price during the Term is defined as NYMEX (New York Mercantile Exchange) last day settlement price of each month converted to \$/Ccf using the then current MMBTU/Ccf DEO Conversion factor plus an adder of \$ \_\_\_\_\_ per Ccf.

After the Term, this Agreement with CPG will automatically renew on a month to month basis on CPG’s Market Price Program. Above mention prices do not include applicable taxes and/or utility distribution charges and Client acknowledges responsibility for the total payment of these charges on the monthly DEO utility bill.

2 Billing and Payment: Client acknowledges that only one monthly bill will be issued by DEO each month and will contain CPG’s gas price plus applicable taxes, utility transportation and other applicable charges including any late fees assessed by Utility invoice in a timely manner (including CPG’s charges). Client will pay DEO invoice for the entire natural gas amount under their terms and conditions. If Client fails to pay said invoice in a timely manner, Client also acknowledges that COA may disconnect service to Service Locations according to tariff guidelines. I understand that CPG may terminate this agreement with fourteen (14) days written notice if Client fails to pay an invoice or meet any payment arrangements made in writing. Client may request, at no charge, up to 24 months of payment history for services rendered by CPG.

3 Term: This agreement shall become effective after acceptance and signature by both Client CPG (‘Effective Date’). CPG reserves the right to reject this Agreement by providing written notice within 10 normal business days for any reason. Service will commence on the first possible meter read after the Start Date for each Service Location at the Price documented within this Agreement.

4 Security Deposit: By requesting service, you acknowledge that CPG has the right to check your credit history during the enrollment process. Upon checking your credit history, CPG may determine that a security deposit is required. The amount determined due by CPG shall be paid within ten (10) days of the date the request is made. If Client fails to make such a deposit within this timeframe, Service Locations within this Agreement will not be enrolled for service with CPG. At the End of Term, CPG will apply the deposit to the final bill and promptly refund any excess to Client when service is terminated. Interest will be included with the refunded deposit in accordance with the rate listed by PUCO, if applicable.

6 Force Majeure; “Force Majeure” shall mean an event that is beyond the reasonable control either Client or CPG claiming an event of Force Majeure that could not have been prevented by the exercise of due diligence. If either Client or CPG is rendered unable by Force Majeure to carry out, in whole or part, its obligations under this Agreement, such Party shall give notice and provide full details of the event to the other Party in writing as soon as practicable after the occurrence of the event. During such Force Majeure period, the obligations of the Parties (other than the obligation to make payments then due or becoming due with respect to performance prior to the event) will be suspended to the extent required. The Party claiming Force Majeure will make all reasonable attempts to remedy the effects of the Force Majeure and continue performance under this Agreement with all reasonable dispatch; provided, however, that no provision of this Agreement shall be interpreted to require CPG to deliver, or Client to receive, natural gas at points other than the service locations. Force Majeure shall not include economic loss due to Customer’s loss of markets or suppliers.

7 Default; If Client fails to make any payment required by this Agreement and such failure is not cured within fourteen (14) days of receiving written notice from CPG or if Client cancels agreement prior to the end of Term, CPG shall have the right (i) to liquidate and terminate any and all agreements hereunder and/or (ii) suspend performance (iii) collect Termination Fees from Client. Termination fees this agreement will be \$100.00. Client is responsible for all charges through the date your cancellation is finalized by Utility.

## Terms of Service

The following Terms of Service, together with the attached Client Information and Service Location forms (collectively, the “Energy Service Agreement”), constitute an agreement by Client to purchase electricity for non-residential commercial business use. Subject to the Energy Service Agreement, Current Power & Gas Inc. (“CPG”) agrees to deliver: Together Client and CPG shall be known as ‘Parties’ and individually may be referred to as ‘Party’. CPG is a licensed Competitive Retail Natural Gas Service provider and as such will, in accordance with the terms of this Agreement, will supply the commodity portion of my natural gas, and COH will continue to be my Utility Company and is not an affiliate of Columbia Gas Ohio..

1 Natural Gas Price:

☐ Fixed Rate: Fixed Rate of \$ \_\_\_\_\_ Ccf for the Term

☐ Variable Rate: Variable Rate which the monthly gas price during the Term is defined as NYMEX (New York Mercantile Exchange) last day settlement price of each month converted to /Ccf using Columbia Gas Ohio’s then current BTU Conversion factor plus an adder of \$ \_\_\_\_\_ per Ccf.

After the Term, this Agreement with CPG will automatically renew on a month to month basis on CPG’s Market Price Program. Above mention prices do not include applicable taxes and/or utility distribution charges and Client acknowledges responsibility for the total payment of these charges on the monthly COH utility bill.

2 Billing and Payment: Client acknowledges that only one monthly bill will be issued by COH each month and will contain CPG’s gas price plus applicable taxes, utility transportation and other applicable charges including any late fees assessed by Utility invoice in a timely manner (including CPG’s charges). Client will pay COH invoice for the entire natural gas amount under their terms and conditions. If Client fails to pay said invoice in a timely manner, Client also acknowledges that COA may disconnect service to Service Locations according to tariff guidelines. I understand that CPG may terminate this agreement with fourteen (14) days written notice if Client fails to pay an invoice or meet any payment arrangements made in writing. Client may request, at no charge, up to 24 months of payment history for services rendered by CPG.

3 Term: This agreement shall become effective after acceptance and signature by both Client CPG (‘Effective Date’). CPG reserves the right to reject this Agreement by providing written notice within 10 normal business days for any reason. Service will commence on the first possible meter read after the Start Date for each Service Location at the Price documented within this Agreement.

4 Security Deposit: By requesting service, you acknowledge that CPG has the right to check your credit history during the enrollment process. Upon checking your credit history, CPG may determine that a security deposit is required. The amount determined due by CPG shall be paid within ten (10) days of the date the request is made. If Client fails to make such a deposit within this timeframe, Service Locations within this Agreement will not be enrolled for service with CPG. At the End of Term, CPG will apply the deposit to the final bill and promptly refund any excess to Client when service is terminated. Interest will be included with the refunded deposit in accordance with the rate listed by PUCO, if applicable.

6 Force Majeure; “Force Majeure” shall mean an event that is beyond the reasonable control either Client or CPG claiming an event of Force Majeure that could not have been prevented by the exercise of due diligence. If either Client or CPG is rendered unable by Force Majeure to carry out, in whole or part, its obligations under this Agreement, such Party shall give notice and provide full details of the event to the other Party in writing as soon as practicable after the occurrence of the event. During such Force Majeure period, the obligations of the Parties (other than the obligation to make payments then due or becoming due with respect to performance prior to the event) will be suspended to the extent required. The Party claiming Force Majeure will make all reasonable attempts to remedy the effects of the Force Majeure and continue performance under this Agreement with all reasonable dispatch; provided, however, that no provision of this Agreement shall be interpreted to require CPG to deliver, or Client to receive, natural gas at points other than the service locations. Force Majeure shall not include economic loss due to Customer’s loss of markets or suppliers.

7 Default; If Client fails to make any payment required by this Agreement and such failure is not cured within fourteen (14) days of receiving written notice from CPG or if Client cancels agreement prior to the end of Term, CPG shall have the right (i) to liquidate and terminate any and all agreements hereunder and/or (ii) suspend performance (iii) collect Termination Fees from Client. Termination fees for Service Locations with an annual consumption of less than 5,000 Ccf will be \$100.00. For Service Locations with an annual consumption greater than 5,000 Ccf, Termination CPG shall calculate the aggregate amount of losses or gains it incurs in accordance with the following formula: Termination Fees = \$0.10 x (the amount of natural gas, in Ccf, remaining to be delivered under the terminated agreements according to CPG’s consumption forecast). CPG shall provide a written explanation of its calculation of the Termination Payment to Client, and the Termination Payment shall be due within five (5) Business Days thereafter. It may take COH additional time to complete the cancellation process, as required under program rules. Client is responsible for all charges through the date your cancellation is finalized by COH.

8 Limitation of Liability; Disclaimer of Warranties: FOR BREACH OF ANY PROVISION FOR WHICH AN EXPRESS REMEDY IS PROVIDED, SUCH EXPRESS REMEDY WILL BE THE SOLE AND EXCLUSIVE REMEDY. ## Terms of Service

The following Terms of Service, together with the attached Client Information and Service Location forms (collectively, the “Energy Service Agreement”), constitute an agreement by Client to purchase electricity for non-residential commercial business use. Subject to the Energy Service Agreement, Current Power & Gas Inc. (“CPG”) agrees to deliver: Together Client and CPG shall be known as ‘Parties’ and individually may be referred to as ‘Party’. CPG is a licensed Competitive Retail Natural Gas Service provider and as such will, in accordance with the terms of this Agreement, will supply the commodity portion of my natural gas, and Duke Energy Ohio (“DEO”) will continue to be my Utility Company and is not an affiliate of DEO.

1 Natural Gas Price:

☐ Fixed Rate: Fixed Rate of \$ \_\_\_\_\_ Ccf for the Term

☐ Variable Rate: Variable Rate which the monthly gas price during the Term is defined as NYMEX (New York Mercantile Exchange) last day settlement price of each month converted to \$/Ccf using the then current MMBTU/Ccf DEO Conversion factor plus an adder of \$ \_\_\_\_\_ per Ccf.

After the Term, this Agreement with CPG will automatically renew on a month to month basis on CPG’s Market Price Program. Above mention prices do not include applicable taxes and/or utility distribution charges and Client acknowledges responsibility for the total payment of these charges on the monthly DEO utility bill.

2 Billing and Payment: Client acknowledges that only one monthly bill will be issued by DEO each month and will contain CPG’s gas price plus applicable taxes, utility transportation and other applicable charges including any late fees assessed by Utility invoice in a timely manner (including CPG’s charges). Client will pay DEO invoice for the entire natural gas amount under their terms and conditions. If Client fails to pay said invoice in a timely manner, Client also acknowledges that COA may disconnect service to Service Locations according to tariff guidelines. I understand that CPG may terminate this agreement with fourteen (14) days written notice if Client fails to pay an invoice or meet any payment arrangements made in writing. Client may request, at no charge, up to 24 months of payment history for services rendered by CPG.

3 Term: This agreement shall become effective after acceptance and signature by both Client CPG (‘Effective Date’). CPG reserves the right to reject this Agreement by providing written notice within 10 normal business days for any reason. Service will commence on the first possible meter read after the Start Date for each Service Location at the Price documented within this Agreement.

4 Security Deposit: By requesting service, you acknowledge that CPG has the right to check your credit history during the enrollment process. Upon checking your credit history, CPG may determine that a security deposit is required. The amount determined due by CPG shall be paid within ten (10) days of the date the request is made. If Client fails to make such a deposit within this timeframe, Service Locations within this Agreement will not be enrolled for service with CPG. At the End of Term, CPG will apply the deposit to the final bill and promptly refund any excess to Client when service is terminated. Interest will be included with the refunded deposit in accordance with the rate listed by PUCO, if applicable.

6 Force Majeure; “Force Majeure” shall mean an event that is beyond the reasonable control either Client or CPG claiming an event of Force Majeure that could not have been prevented by the exercise of due diligence. If either Client or CPG is rendered unable by Force Majeure to carry out, in whole or part, its obligations under this Agreement, such Party shall give notice and provide full details of the event to the other Party in writing as soon as practicable after the occurrence of the event. During such Force Majeure period, the obligations of the Parties (other than the obligation to make payments then due or becoming due with respect to performance prior to the event) will be suspended to the extent required. The Party claiming Force Majeure will make all reasonable attempts to remedy the effects of the Force Majeure and continue performance under this Agreement with all reasonable dispatch; provided, however, that no provision of this Agreement shall be interpreted to require CPG to deliver, or Client to receive, natural gas at points other than the service locations. Force Majeure shall not include economic loss due to Customer’s loss of markets or suppliers.

7 Default; If Client fails to make any payment required by this Agreement and such failure is not cured within fourteen (14) days of receiving written notice from CPG or if Client cancels agreement prior to the end of Term, CPG shall have the right (i) to liquidate and terminate any and all agreements hereunder and/or (ii) suspend performance (iii) collect Termination Fees from Client. Termination fees for Service Locations with an annual consumption of less than 5,000 Ccf will be \$100.00. For Service Locations with an annual consumption greater than 5,000 Ccf, Termination CPG shall calculate the aggregate amount of losses or gains it incurs in accordance with the following formula: Termination Fees = \$0.10 x (the amount of natural gas, in Ccf, remaining to be delivered under the terminated agreements according to CPG’s consumption forecast). CPG shall provide a written explanation of its calculation of the Termination Payment to Client, and the Termination Payment shall be due within five (5) Business Days thereafter. It may take DEO additional time to complete the cancellation process, as required under program rules. Client is responsible for all charges through the date your cancellation is finalized by DEO.

8 Limitation of Liability; Disclaimer of Warranties: FOR BREACH OF ANY PROVISION FOR WHICH AN EXPRESS REMEDY IS PROVIDED, SUCH EXPRESS REMEDY WILL BE THE SOLE AND EXCLUSIVE REMEDY. IF NO EXPRESS REMEDY IS PROVIDED, A PARTY’S LIABILITY WILL BE LIMITED TO DIRECT ACTUAL DAMAGES ONLY. NEITHER PARTY WILL BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES, LOST PROFITS OR OTHER BUSINESS INTERRUPTION DAMAGES, BY STATUTE, IN TORT OR CONTRACT, UNDER ANY INDEMNITY PROVISION OR OTHERWISE. THE PARTIES INTEND THAT THE LIMITATIONS HEREIN IMPOSED ON REMEDIES AND THE MEASURE OF DAMAGES BE WITHOUT REGARD TO THE CAUSES RELATED THERETO INCLUDING THE NEGLIGENCE OF ANY PARTY, WHETHER SUCH NEGLIGENCE IS SOLE, JOINT OR

CONCURRENT, OR ACTIVE OR PASSIVE. TO THE EXTENT ANY DAMAGES REQUIRED TO BE PAID HEREUNDER ARE CHARACTERIZED OR DEEMED TO BE LIQUIDATED DAMAGES, THE PARTIES ACKNOWLEDGE THAT THE DAMAGES ARE DIFFICULT OR IMPOSSIBLE TO DETERMINE, OBTAINING AN ADEQUATE REMEDY IS INCONVENIENT AND THE LIQUIDATED DAMAGES CONSTITUTE A REASONABLE APPROXIMATION OF THE HARM OR LOSS. EXCEPT FOR ANY REPRESENTATIONS AND WARRANTIES SET FORTH HEREIN, CURRENT EXPRESSLY DISCLAIMS AND MAKES NO WARRANTIES, WHETHER WRITTEN OR ORAL, WITH RESPECT TO THE ELECTRICITY SUPPLIED UNDER THIS AGREEMENT, INCLUDING EXPRESS, IMPLIED OR STATUTORY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, THE LIMITATIONS SET FORTH IN THIS PARAGRAPH SHALL SURVIVE THE EXPIRATION OR EARLY TERMINATION OF THIS AGREEMENT. FURTHER, IT IS UNDERSTOOD CURRENT SHALL NOT BE LIABLE FOR MATTERS WITHIN THE CONTROL OF THE EDC OR THE ISO, WHICH MAY RESULT FROM THE MAINTENANCE OR OPERATION OF ELECTRIC LINES AND SYSTEMS.

- 9 Assignment; Neither Party may assign this Agreement or any of its rights or obligations under this Agreement without the express written consent of the other Party, which consent shall not be unreasonably withheld. Notwithstanding the above, CPG may, without the consent of Client, (a) assign this Agreement to any affiliate or to any party succeeding to a substantial portion of the assets of Current, or (b) assign, pledge or otherwise collaterally assign its rights under this Agreement to Current supplier of certain physical and/or financial commodities. Should CPG assign this Agreement to another provider, you shall receive, at a minimum, fourteen (14) calendar days prior written notice. Any successor or assignee of the rights of either Party shall be subject to all the provisions and conditions of this Agreement to the same extent as though such successor or assignee were the original Party under this Agreement. Any attempted transfer or assignment in violation of this assignment clause is null and void.
- 10 Regulatory Event; If there is a change in law, administrative regulation, rule, ISO design or structure, order, judicial decision, statute, or a change in an interpretation or application of any of the foregoing (collectively, a "Regulatory Event") and such Regulatory Event causes CPG to directly or indirectly incur any capital, operating, commodity or other costs (including, but not limited to increased Taxes) relating to the provision of services contemplated herein above those existing prior to the date of the Regulatory Event, then Current shall be permitted to either pass through the economic effects of such Regulatory Event to you or terminate this Agreement by providing you with thirty (30) days' notice.
- 11 Moving/Termination: Client acknowledges that this Agreement will automatically terminate without penalty if (i) Client relocates outside of DEO service territory or (ii) if the requested service location is not served by DEO or (iii) if Client relocates inside the DEO's service territory and the DEO does not have contract portability. Client agrees that if relocation is within the DEO service territory and do not exercise the right to cancel, this Agreement may continue for service at the new Service Locations, and thereby grant DEO the right to provide CPG with account and meter number(s) for the new Service Locations, and to transfer this agreement to Client's new location. If requested by CPG, Client will also provide them with this information. If CPG does not transfer this Agreement for service at my new location within 90 days of relocation, this Agreement will automatically terminate.
- 12 Governing Law: This Agreement and all claims arising out of or relating to its subject matter shall be exclusively governed by and construed under the internal laws of the State of Ohio without regard to principles of conflict of laws.
- 13 Representations & No Waiver; Each Party represents to the other that: (a) it is validly existing and in good standing in the jurisdiction of its formation; (b) Client intends to operate the business in substantially the same manner as you have in the previous 12 months and your Usage during the previous 12 month period reasonably reflects anticipated consumption to the Term of this Agreement; (c) it has not filed, does not plan to file or had any Bankruptcy proceeding filed against it; (d) execution of this Agreement has been duly authorized and is a valid and enforceable obligation; and (e) it is not a party to or subject to any commitment that may restrict or interfere with the delivery of electricity under this Agreement. ## Terms of Service

The following Terms of Service, together with the attached Client Information and Service Location forms (collectively, the “Energy Service Agreement”), constitute an agreement by Client to purchase electricity for non-residential commercial business use. Subject to the Energy Service Agreement, Current Power & Gas Inc. (“CPG”) agrees to deliver: Together Client and CPG shall be known as ‘Parties’ and individually may be referred to as ‘Party’. CPG is a licensed Competitive Retail Natural Gas Service provider and as such will, in accordance with the terms of this Agreement, will supply the commodity portion of my natural gas, and COH will continue to be my Utility Company and is not an affiliate of Columbia Gas Ohio..

1 Natural Gas Price:

☐ Fixed Rate: Fixed Rate of \$ \_\_\_\_\_ Ccf for the Term

☐ Variable Rate: Variable Rate which the monthly gas price during the Term is defined as NYMEX (New York Mercantile Exchange) last day settlement price of each month converted to \$/Ccf using Columbia Gas Ohio’s then current BTU Conversion factor plus an adder of \$ \_\_\_\_\_ per Ccf.

After the Term, this Agreement with CPG will automatically renew on a month to month basis on CPG’s Market Price Program. Above mention prices do not include applicable taxes and/or utility distribution charges and Client acknowledges responsibility for the total payment of these charges on the separate monthly COH utility bill.

2 Billing and Payment: Client acknowledges that only one monthly bill will be issued by CPG each month and will contain CPG’s gas price plus applicable taxes. Utility transportation and other applicable transportation charges including any late fees assessed by COH will be invoiced separately by COH. Client will pay CPG invoice for the entire natural gas amount under the terms and conditions of this agreement. If Client fails to pay said invoice in a timely manner, Client also acknowledges that CPG may ask COH to disconnect service to Service Locations according to tariff guidelines. I understand that CPG may terminate this agreement with fourteen (14) days written notice if Client fails to pay an invoice or meet any payment arrangements made in writing. Client may request, at no charge, up to 24 months of payment history for services rendered by CPG. For all amounts billed by Current, payment shall be due twenty-one (21) days after the applicable invoice date. For all amounts billed directly by Current, past due amounts will incur a late payment charge of 1.5% per month or the maximum amount allowable by law. Client is responsible for any and all costs, attorney and legal fees incurred by Current for the collection of any outstanding balance owed by you. If Client fails to pay Utility related charges may result in service being disconnected in accordance with the electric utility tariff. Current charges twenty-five dollars (\$25.00) for any transaction not processed due to insufficient funds or credit availability, including checks or Automated Clearing House (ACH).

3 Term: This agreement shall become effective after acceptance and signature by both Client CPG (‘Effective Date’). CPG reserves the right to reject this Agreement by providing written notice within 10 normal business days for any reason. Service will commence on the first possible meter read after the Start Date for each Service Location at the Price documented within this Agreement.

4 Security Deposit: By requesting service, you acknowledge that CPG has the right to check your credit history during the enrollment process. Upon checking your credit history, CPG may determine that a security deposit is required. The amount determined due by CPG shall be paid within ten (10) days of the date the request is made. If Client fails to make such a deposit within this timeframe, Service Locations within this Agreement will not be enrolled for service with CPG. At the End of Term, CPG will apply the deposit to the final bill and promptly refund any excess to Client when service is terminated. Interest will be included with the refunded deposit in accordance with the rate listed by PUCO, if applicable.

6 Force Majeure; “Force Majeure” shall mean an event that is beyond the reasonable control either Client or CPG claiming an event of Force Majeure that could not have been prevented by the exercise of due diligence. If either Client or CPG is rendered unable by Force Majeure to carry out, in whole or part, its obligations under this Agreement, such Party shall give notice and provide full details of the event to the other Party in writing as soon as practicable after the occurrence of the event. During such Force Majeure period, the obligations of the Parties (other than the obligation to make payments then due or becoming due with respect to performance prior to the event) will be suspended to the extent required. The Party claiming Force Majeure will make all reasonable attempts to remedy the effects of the Force Majeure and continue performance under this Agreement with all reasonable dispatch; provided, however, that no provision of this Agreement shall be interpreted to require CPG to deliver, or Client to receive, natural gas at points other than the service locations. Force Majeure shall not include economic loss due to Customer’s loss of markets or suppliers.

7 Default; If Client fails to make any payment required by this Agreement and such failure is not cured within fourteen (14) days of receiving written notice from CPG or if Client cancels agreement prior to the end of Term, CPG shall have the right (i) to liquidate and terminate any and all agreements hereunder and/or (ii) suspend performance (iii) collect Termination Fees from Client. Termination fees for Service Locations with an annual consumption of less than 5,000 Ccf will be \$100.00. For Service Locations with an annual consumption greater than 5,000 Ccf, Termination CPG shall calculate the aggregate amount of losses or gains it incurs in accordance with the following formula: Termination Fees = \$0.10 x (the amount of natural gas, in Ccf, remaining to be delivered under the terminated agreements according to CPG’s consumption forecast). CPG shall provide a written explanation of its calculation of the Termination Payment to Client, and the Termination Payment shall be due within five (5) Business Days thereafter. It may take COH additional time to complete the cancellation process, as required under program rules. Client is responsible for all charges through the date your cancellation is finalized by COH.

- 8 Limitation of Liability; Disclaimer of Warranties: FOR BREACH OF ANY PROVISION FOR WHICH AN EXPRESS REMEDY IS PROVIDED, SUCH EXPRESS REMEDY WILL BE THE SOLE AND EXCLUSIVE REMEDY. IF NO EXPRESS REMEDY IS PROVIDED, A PARTY'S LIABILITY WILL BE LIMITED TO DIRECT ACTUAL DAMAGES ONLY. NEITHER PARTY WILL BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES, LOST PROFITS OR OTHER BUSINESS INTERRUPTION DAMAGES, BY STATUTE, IN TORT OR CONTRACT, UNDER ANY INDEMNITY PROVISION OR OTHERWISE. THE PARTIES INTEND THAT THE LIMITATIONS HEREIN IMPOSED ON REMEDIES AND THE MEASURE OF DAMAGES BE WITHOUT REGARD TO THE CAUSES RELATED THERETO INCLUDING THE NEGLIGENCE OF ANY PARTY, WHETHER SUCH NEGLIGENCE IS SOLE, JOINT OR CONCURRENT, OR ACTIVE OR PASSIVE. TO THE EXTENT ANY DAMAGES REQUIRED TO BE PAID HEREUNDER ARE CHARACTERIZED OR DEEMED TO BE LIQUIDATED DAMAGES, THE PARTIES ACKNOWLEDGE THAT THE DAMAGES ARE DIFFICULT OR IMPOSSIBLE TO DETERMINE, OBTAINING AN ADEQUATE REMEDY IS INCONVENIENT AND THE LIQUIDATED DAMAGES CONSTITUTE A REASONABLE APPROXIMATION OF THE HARM OR LOSS. EXCEPT FOR ANY REPRESENTATIONS AND WARRANTIES SET FORTH HEREIN, CURRENT EXPRESSLY DISCLAIMS AND MAKES NO WARRANTIES, WHETHER WRITTEN OR ORAL, WITH RESPECT TO THE ELECTRICITY SUPPLIED UNDER THIS AGREEMENT, INCLUDING EXPRESS, IMPLIED OR STATUTORY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. FURTHER, IT IS UNDERSTOOD CURRENT SHALL NOT BE LIABLE FOR MATTERS WITHIN THE CONTROL OF THE EDC OR THE ISO, WHICH MAY RESULT FROM THE MAINTENANCE OR OPERATION OF ELECTRIC LINES AND SYSTEMS.
- 9 Assignment; Neither Party may assign this Agreement or any of its rights or obligations under this Agreement without the express written consent of the other Party, which consent shall not be unreasonably withheld. Notwithstanding the above, CPG may, without the consent of Client, (a) assign this Agreement to any affiliate or to any party succeeding to a substantial portion of the assets of Current, or (b) assign, pledge or otherwise collaterally assign its rights under this Agreement to Current supplier of certain physical and/or financial commodities. Should CPG assign this Agreement to another provider, you shall receive, at a minimum, fourteen (14) calendar days prior written notice. Any successor or assignee of the rights of either Party shall be subject to all the provisions and conditions of this Agreement to the same extent as though such successor or assignee were the original Party under this Agreement. Any attempted transfer or assignment in violation of this assignment clause is null and void.
- 10 Regulatory Event; If there is a change in law, administrative regulation, rule, ISO design or structure, order, judicial decision, statute, or a change in an interpretation or application of any of the foregoing (collectively, a "Regulatory Event") and such Regulatory Event causes CPG to directly or indirectly incur any capital, operating, commodity or other costs (including, but not limited to increased Taxes) relating to the provision of services contemplated herein above those existing prior to the date of the Regulatory Event, then Current shall be permitted to either pass through the economic effects of such Regulatory Event to you or terminate this Agreement by providing you with thirty (30) days' notice.
- 11 Moving/Termination: Client acknowledges that this Agreement will automatically terminate without penalty if (i) Client relocates outside of COH service territory or (ii) if the requested service location is not served by COH or (iii) if Client relocates inside the COH's service territory and the COH does not have contract portability. Client agrees that if relocation is within the COH service territory and do not exercise the right to cancel, this Agreement may continue for service at the new Service Locations, and thereby grant COH the right to provide CPG with account and meter number(s) for the new Service Locations, and to transfer this agreement to Client's new location. If requested by CPG, Client will also provide them with this information. If CPG does not transfer this Agreement for service at my new location within 90 days of relocation, this Agreement will automatically terminate.
- 12 Governing Law: This Agreement and all claims arising out of or relating to its subject matter shall be exclusively governed by and construed under the internal laws of the State of Ohio without regard to principles of conflict of laws.
- 13 Representations & No Waiver; Each Party represents to the other that: (a) it is validly existing and in good standing in the jurisdiction of its formation; (b) Client intends to operate the business in substantially the same manner as you have in the previous 12 months and your Usage during the previous 12 month period reasonably reflects anticipated consumption to the Term of this Agreement; (c) it has not filed, does not plan to file or had any Bankruptcy proceeding filed against it; (d) execution of this Agreement has been duly authorized and is a valid and enforceable obligation; and (e) it is not a party to or subject to any commitment that may restrict or interfere with the delivery of electricity under this Agreement. ## Terms of Service

The following Terms of Service, together with the attached Client Information and Service Location forms (collectively, the “Energy Service Agreement”), constitute an agreement by Client to purchase electricity for non-residential commercial business use. Subject to the Energy Service Agreement, Current Power & Gas Inc. (“CPG”) agrees to deliver: Together Client and CPG shall be known as ‘Parties’ and individually may be referred to as ‘Party’. CPG is a licensed Competitive Retail Natural Gas Service provider and as such will, in accordance with the terms of this Agreement, will supply the commodity portion of my natural gas, and Duke Energy Ohio (“DEO”) will continue to be my Utility Company and is not an affiliate of DEO.

1 Natural Gas Price:

☐ Fixed Rate: Fixed Rate of \$ \_\_\_\_\_ Mcf for the Term

☐ Variable Rate: Variable Rate which the monthly gas price during the Term is defined as NYMEX (New York Mercantile Exchange) last day settlement price of each month converted to \$/Mcf using DEO’s then current BTU Conversion factor plus an adder of \$ \_\_\_\_\_ per Mcf.

After the Term, this Agreement with CPG will automatically renew on a month to month basis on CPG’s Market Price Program. Above mention prices do not include applicable taxes and/or utility distribution charges and Client acknowledges responsibility for the total payment of these charges on the separate monthly DEO utility bill.

2 Billing and Payment: Client acknowledges that only one monthly bill will be issued by CPG each month and will contain CPG’s gas price plus applicable taxes. Utility transportation and other applicable transportation charges including any late fees assed by DEO will be invoiced separately by DEO. Client will pay CPG invoice for the entire natural gas amount under the terms and conditions of this agreement. If Client fails to pay said invoice in a timely manner, Client also acknowledges that CPG may ask DEO to disconnect service to Service Locations according to tariff guidelines. I understand that CPG may terminate this agreement with fourteen (14) days written notice if Client fails to pay an invoice or meet any payment arrangements made in writing. Client may request, at no charge, up to 24 months of payment history for services rendered by CPG. For all amounts billed by Current, payment shall be due twenty-one (21) days after the applicable invoice date. For all amounts billed directly by Current, past due amounts will incur a late payment charge of 1.5% per month or the maximum amount allowable by law. Client is responsible for any and all costs, attorney and legal fees incurred by Current for the collection of any outstanding balance owed by you. If Client fails to pay Utility related charges may result in service being disconnected in accordance with the electric utility tariff. Current charges twenty-five dollars (\$25.00) for any transaction not processed due to insufficient funds or credit availability, including checks or Automated Clearing House (ACH).

3 Term: This agreement shall become effective after acceptance and signature by both Client CPG (‘Effective Date’). CPG reserves the right to reject this Agreement by providing written notice within 10 normal business days for any reason. Service will commence on the first possible meter read after the Start Date for each Service Location at the Price documented within this Agreement.

4 Security Deposit: By requesting service, you acknowledge that CPG has the right to check your credit history during the enrollment process. Upon checking your credit history, CPG may determine that a security deposit is required. The amount determined due by CPG shall be paid within ten (10) days of the date the request is made. If Client fails to make such a deposit within this timeframe, Service Locations within this Agreement will not be enrolled for service with CPG. At the End of Term, CPG will apply the deposit to the final bill and promptly refund any excess to Client when service is terminated. Interest will be included with the refunded deposit in accordance with the rate listed by PUCO, if applicable.

6 Force Majeure; “Force Majeure” shall mean an event that is beyond the reasonable control either Client or CPG claiming an event of Force Majeure that could not have been prevented by the exercise of due diligence. If either Client or CPG is rendered unable by Force Majeure to carry out, in whole or part, its obligations under this Agreement, such Party shall give notice and provide full details of the event to the other Party in writing as soon as practicable after the occurrence of the event. During such Force Majeure period, the obligations of the Parties (other than the obligation to make payments then due or becoming due with respect to performance prior to the event) will be suspended to the extent required. The Party claiming Force Majeure will make all reasonable attempts to remedy the effects of the Force Majeure and continue performance under this Agreement with all reasonable dispatch; provided, however, that no provision of this Agreement shall be interpreted to require CPG to deliver, or Client to receive, natural gas at points other than the service locations. Force Majeure shall not include economic loss due to Customer’s loss of markets or suppliers.

7 Default; If Client fails to make any payment required by this Agreement and such failure is not cured within fourteen (14) days of receiving written notice from CPG or if Client cancels agreement prior to the end of Term, CPG shall have the right (i) to liquidate and terminate any and all agreements hereunder and/or (ii) suspend performance (iii) collect Termination Fees from Client. Termination fees for Service Locations with an annual consumption of less than 5,000 Ccf will be \$100.00. For Service Locations with an annual consumption greater than 5,000 Ccf, Termination CPG shall calculate the aggregate amount of losses or gains it incurs in accordance with the following formula: Termination Fees = \$0.10 x (the amount of natural gas, in Ccf, remaining to be delivered under the terminated agreements according to CPG’s consumption forecast). CPG shall provide a written explanation of its calculation of the Termination Payment to Client, and the Termination Payment shall be due within five (5) Business Days thereafter. It may take DEO additional time to complete the cancellation process, as required under program rules. Client is responsible for all charges through the date your cancellation is finalized by DEO.

- 8 Limitation of Liability; Disclaimer of Warranties: FOR BREACH OF ANY PROVISION FOR WHICH AN EXPRESS REMEDY IS PROVIDED, SUCH EXPRESS REMEDY WILL BE THE SOLE AND EXCLUSIVE REMEDY. IF NO EXPRESS REMEDY IS PROVIDED, A PARTY'S LIABILITY WILL BE LIMITED TO DIRECT ACTUAL DAMAGES ONLY. NEITHER PARTY WILL BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES, LOST PROFITS OR OTHER BUSINESS INTERRUPTION DAMAGES, BY STATUTE, IN TORT OR CONTRACT, UNDER ANY INDEMNITY PROVISION OR OTHERWISE. THE PARTIES INTEND THAT THE LIMITATIONS HEREIN IMPOSED ON REMEDIES AND THE MEASURE OF DAMAGES BE WITHOUT REGARD TO THE CAUSES RELATED THERETO INCLUDING THE NEGLIGENCE OF ANY PARTY, WHETHER SUCH NEGLIGENCE IS SOLE, JOINT OR CONCURRENT, OR ACTIVE OR PASSIVE. TO THE EXTENT ANY DAMAGES REQUIRED TO BE PAID HEREUNDER ARE CHARACTERIZED OR DEEMED TO BE LIQUIDATED DAMAGES, THE PARTIES ACKNOWLEDGE THAT THE DAMAGES ARE DIFFICULT OR IMPOSSIBLE TO DETERMINE, OBTAINING AN ADEQUATE REMEDY IS INCONVENIENT AND THE LIQUIDATED DAMAGES CONSTITUTE A REASONABLE APPROXIMATION OF THE HARM OR LOSS. EXCEPT FOR ANY REPRESENTATIONS AND WARRANTIES SET FORTH HEREIN, CURRENT EXPRESSLY DISCLAIMS AND MAKES NO WARRANTIES, WHETHER WRITTEN OR ORAL, WITH RESPECT TO THE ELECTRICITY SUPPLIED UNDER THIS AGREEMENT, INCLUDING EXPRESS, IMPLIED OR STATUTORY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, THE LIMITATIONS SET FORTH IN THIS PARAGRAPH SHALL SURVIVE THE EXPIRATION OR EARLY TERMINATION OF THIS AGREEMENT. FURTHER, IT IS UNDERSTOOD CURRENT SHALL NOT BE LIABLE FOR MATTERS WITHIN THE CONTROL OF THE EDC OR THE ISO, WHICH MAY RESULT FROM THE MAINTENANCE OR OPERATION OF ELECTRIC LINES AND SYSTEMS.
- 9 Assignment; Neither Party may assign this Agreement or any of its rights or obligations under this Agreement without the express written consent of the other Party, which consent shall not be unreasonably withheld. Notwithstanding the above, CPG may, without the consent of Client, (a) assign this Agreement to any affiliate or to any party succeeding to a substantial portion of the assets of Current, or (b) assign, pledge or otherwise collaterally assign its rights under this Agreement to Current supplier of certain physical and/or financial commodities. Should CPG assign this Agreement to another provider, you shall receive, at a minimum, fourteen (14) calendar days prior written notice. Any successor or assignee of the rights of either Party shall be subject to all the provisions and conditions of this Agreement to the same extent as though such successor or assignee were the original Party under this Agreement. Any attempted transfer or assignment in violation of this assignment clause is null and void.
- 10 Regulatory Event; If there is a change in law, administrative regulation, rule, ISO design or structure, order, judicial decision, statute, or a change in an interpretation or application of any of the foregoing (collectively, a "Regulatory Event") and such Regulatory Event causes CPG to directly or indirectly incur any capital, operating, commodity or other costs (including, but not limited to increased Taxes) relating to the provision of services contemplated herein above those existing prior to the date of the Regulatory Event, then Current shall be permitted to either pass through the economic effects of such Regulatory Event to you or terminate this Agreement by providing you with thirty (30) days' notice.
- 11 Moving/Termination: Client acknowledges that this Agreement will automatically terminate without penalty if (i) Client relocates outside of DEO service territory or (ii) if the requested service location is not served by DEO or (iii) if Client relocates inside the DEO's service territory and the DEO does not have contract portability. Client agrees that if relocation is within the DEO service territory and do not exercise the right to cancel, this Agreement may continue for service at the new Service Locations, and thereby grant DEO the right to provide CPG with account and meter number(s) for the new Service Locations, and to transfer this agreement to Client's new location. If requested by CPG, Client will also provide them with this information. If CPG does not transfer this Agreement for service at my new location within 90 days of relocation, this Agreement will automatically terminate.
- 12 Governing Law: This Agreement and all claims arising out of or relating to its subject matter shall be exclusively governed by and construed under the internal laws of the State of Ohio without regard to principles of conflict of laws.
- 13 Representations & No Waiver; Each Party represents to the other that: (a) it is validly existing and in good standing in the jurisdiction of its formation; (b) Client intends to operate the business in substantially the same manner as you have in the previous 12 months and your Usage during the previous 12 month period reasonably reflects anticipated consumption to the Term of this Agreement; (c) it has not filed, does not plan to file or had any Bankruptcy proceeding filed against it; (d) execution of this Agreement has been duly authorized and is a valid and enforceable obligation; and (e) it is not a party to or subject to any commitment that may restrict or interfere with the delivery of electricity under this Agreement. You further represent and warrant that (a) the information provided on your Enrollment Form concerning your Service Address(es) and Accounts are true, complete and correct; (b) you are authorized to switch your electric generation service for the Service Address(es) and Accounts you have designated in the Enrollment Form; (c) any transactions entered into by you related to this Agreement are understood by you and made at Client's sole election in the exercise of independent judgment and Client assumes any risk associated with them; (d) if Client qualifies as a small (non-residential) commercial business Customer, Client is executing this Agreement as a small (non-residential) commercial business Client with an annual electricity usage no greater than 5000 Ccf per year; and (e) that if at any time during the term of this Agreement Client does not qualify as a small commercial business customer, then Client hereby acknowledges and agrees to waive the rights, if any, under all applicable provisions of the PUCO customer protection rules applicable to providers regarding the provision of electricity service to small commercial customers.
