**REVIEW AND RECOMMENDATION
SUBMITTED ON BEHALF OF THE STAFF OF
THE PUBLIC UTILITIES COMMISSION OF OHIO**

On October 31, 2017, Cincinnati Bell Any Distance LLC (Applicant) filed an ATA application seeking to revise its Access Services Tariff P.U.C.O. No. 2. The Applicant proposes to modify its company name on the tariff to CBTS Technology Solutions LLC. The proposed modification is in response to Case No. 17-2131-TP-COI in which the Applicant officially changed its name to CBTS Technology Solutions LLC. Therefore, this application reflects the new name on its carrier access tariff.

Pursuant to 4901:1-7-14 (B) O.A.C. Local Exchange Carriers, an application for access tariff amendment must be filed as an ATA subject to the thirty-day automatic approval process. The Staff reviewed all documents and exhibits filed with this application and found them to be compliant with Commission rules. Thus, Staff has determined that the proposed revisions to the carrier access tariff appears to satisfy the Commission's requirements set forth in 4901:1-7-14 of the Administrative Code. Staff recommends that this application be approved with an effective date of December 1, 2017.
