

# THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE ANNUAL REPORTS  
FOR THE FISCAL ASSESSMENT OF ALL  
REGULATED ENTITIES.

CASE NO. 17-01-AU-RPT

## SECOND FINDING AND ORDER

Entered in the Journal on December 20, 2017

### I. SUMMARY

{¶ 1} The Commission directs that each of the listed companies pay the 2017 fall fiscal assessment by January 19, 2018; that a civil forfeiture of \$1,000 be assessed against any company with an unpaid assessment after that date; and that any unpaid assessments and forfeiture amounts be certified to the Attorney General for collection 31 days after issuance of this Second Finding and Order.

### II. APPLICABLE LAW

{¶ 2} R.C. 4905.10 requires each railroad and public utility to pay an annual assessment based upon its intrastate gross earnings or receipts for maintaining the operations of this Commission.<sup>1</sup> In order to calculate such assessment, R.C. 4905.14 requires each public utility to file an annual report with the Commission. R.C. 4905.10(A) sets a minimum assessment of \$100 per company, regardless of their intrastate gross earnings or receipts in the reporting year.

{¶ 3} R.C. 4905.54 empowers the Commission to assess a forfeiture of not more than \$10,000 per day for each violation or failure of a public utility or railroad, or an officer

---

<sup>1</sup> R.C. 4905.03(A) defines public utility companies to include telephone companies, electric light companies (except regional transmission organizations), heating or cooling companies, natural gas distribution companies, pipeline companies, and water-works and sewage disposal system companies. Railroad, bridge, and water transportation companies are included in the annual reporting requirement under R.C. 4907.02 and 4907.20. All certified retail electric and natural gas suppliers and aggregators are also subject to this reporting requirement under R.C. 4928.06 and 4929.23; while R.C. 4905.10(D) provides that, for the purpose of annual assessment, "public utility" includes electric and gas suppliers and aggregators subject to certification under R.C. 4928.08 and 4929.20, respectively.

of a public utility or railroad, to comply with an order, direction, or requirement of the Commission made under authority of R.C. Chapter 4905.

### III. PROCEDURAL HISTORY

{¶ 4} On February 1, 2017, the Commission issued an Entry directing each reporting company subject to fiscal assessment for the 2016 calendar year to submit its annual report for fiscal assessment using the Commission's on-line system by May 31, 2017, or contact the Commission's Docketing Division for special accommodations. All reporting companies were reminded that a \$1,000 civil forfeiture might be assessed, pursuant to R.C. 4905.54, against any company failing to comply, absent good cause shown.

{¶ 5} On August 16, 2017, the Commission issued a Finding and Order in this proceeding assessing a \$1,000 civil forfeiture against every company listed in the attachment of the Finding and Order that failed to file an annual report by August 30, 2017.

{¶ 6} Based on the 2016 annual report filings, Staff calculated the 2017 fall fiscal assessments and sent invoices to the applicable companies on October 1, 2017, with payment due by November 1, 2017, pursuant to R.C. 4905.10(B).

### IV. DISCUSSION

{¶ 7} The Commission's records reflect that the companies listed on the attachment to this Second Finding and Order have failed to pay the fall fiscal assessment due the Commission on November 1, 2017, pursuant to R.C. 4905.10(B). As each of the companies listed on the attachment have failed to pay the indicated 2017 fall fiscal assessment(s), each listed company must pay the unpaid assessment amount by January 19, 2018, or a civil forfeiture of \$1,000 will be assessed pursuant to R.C. 4905.54. Further, each company is hereby notified that the listed certificate or operating authority may be rescinded for failure to comply with this Second Finding and Order, and such failure to comply may be considered with respect to any future applications for certificate or operating authority.

{¶ 8} The Docketing Division is directed to serve notice of this Second Finding and Order upon each listed company via regular and certified mail in addition to any other means of service. Further, the Fiscal Division is directed to certify to the Attorney General for collection any listed assessments which are not paid by January 19, 2018, in addition to a civil forfeiture of \$1,000 against each listed company, no earlier than 31 days after issuance of this Second Finding and Order.

## V. ORDER

{¶ 9} It is, therefore,

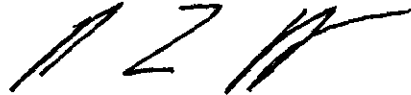

{¶ 10} ORDERED, That each company listed in the attachment to this Second Finding and Order pay the indicated unpaid 2017 fall fiscal assessment by January 19, 2018. It is, further,

{¶ 11} ORDERED, That a civil forfeiture of \$1,000 be assessed against each listed company with a 2017 fall fiscal assessment not paid by January 19, 2018. It is, further,

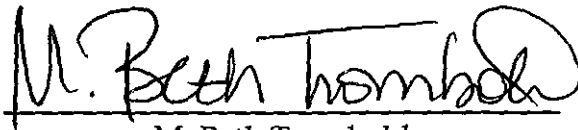

{¶ 12} ORDERED, That the Commission's Fiscal Division certify to the Attorney General for collection any unpaid 2017 fall fiscal assessments and civil forfeitures no earlier than 31 days after issuance of this Second Finding and Order. It is, further,

{¶ 13} ORDERED, That notice of this Second Finding and Order be served upon each company listed on the attachment, by both regular and certified mail, in addition to any other means of service, and via the Electric-Energy, Gas-Pipeline, Railroad, Telephone, and Water industry listserves, and upon all parties of record.
