Dear Examiner Bulgrin:

At the prehearing conference in this case on November 16, you suggested that the parties make best efforts to finalize any settlement in this case by the end of 2017. The parties have continued in earnest to reach a settlement but have not been able to finalize and docket a settlement. But I did want to inform you on behalf of the parties that we are close to finalizing a settlement and expect to file a settlement in January 2018. Thus, we jointly request that a supplemental prehearing conference be scheduled near the end of January, so that the remaining procedural schedule can be determined at that time based on either a settlement or a need to proceed without settlement.

Thank you for your attention to this matter.

Respectfully Submitted,

//s/ Steven T. Nourse
