

# THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE APPLICATION OF  
ENGIE RESOURCES LLC FOR  
CERTIFICATION AS A COMPETITIVE  
RETAIL NATURAL GAS MARKETER AND  
AGGREGATOR.

CASE No. 17-2450-GA-CRS

## ENTRY

Entered in the Journal on December 22, 2017

{¶ 1} On December 1, 2017, ENGIE Resources LLC (ENGIE) filed an application for certification as a competitive retail natural gas service (CRNGS) marketer and aggregator. ENGIE amended its application on December 7, 2017.

{¶ 2} In accordance with R.C. 4929.20 and Ohio Adm.Code 4901:1-27-10, ENGIE's application is subject to a 30-day automatic approval process. Ohio Adm.Code 4901:1-27-10 further provides that, upon good cause shown, the Commission or an attorney examiner may suspend consideration of a certificate application. If an application for certification is suspended, the Commission shall act to approve or deny the application within 90 days of the suspension.

{¶ 3} Staff has requested that the automatic approval process be suspended to allow Staff additional time to review ENGIE's application.

{¶ 4} The attorney examiner finds that good cause exists to suspend the 30-day automatic approval process with respect to ENGIE's application for certification, in order that the Commission and Staff may review the matter further.

{¶ 5} It is, therefore,

{¶ 6} ORDERED, That the automatic approval process for ENGIE's application for certification as a CRNGS marketer and aggregator be suspended until further ordered by the Commission. It is, further,

{¶ 7} ORDERED, That a copy of this Entry be served upon all parties of record.
