MOTION FOR EXTENSION

Pursuant to Ohio Administrative Code Rule 4901:1-27-09(B), National Gas & Electric, LLC (“National Gas & Electric”) seeks an extension of Certificate No. 16-495G (1), which was issued in Case No. 15-2126-GA-CRS. The expiration date of Certificate No. 16-495G (1) is January 21, 2018. **MEMORANDUM IN SUPPORT OF
MOTION FOR EXTENSION**

Due to pressing business issues associated with the severe weather conditions, National Gas & Electric did not meet the December 22, 2017 filing date for its Renewal Application in Case No. 15-2126-GA-CRS. National Gas & Electric sincerely apologizes for the delay and emphasizes its desire to continue to serve customers in Ohio.

Ohio Administrative Code Rule 4901:1-27-09(B) provides that a motion requesting an extension of a certificate will be deemed automatically approved (unless ruled otherwise by the Commission or an Attorney Examiner within three business days), if a renewal application is filed fewer than 30 calendar days prior to the expiration date of the certificate but no later than the expiration date. National Gas & Electric submits that it has met this criteria and respectfully requests an automatic extension of the expiration date of Certificate No. 16-495G (1) issued in Case No. 15-2126-GA-CRS to February 9, 2018, or until such time as a renewal certificate is issued.

Respectfully submitted,

/s/ Gretchen L. Petrucci
