**Re: Application of Dominion Energy Ohio
PIR 559-High and Sunset**

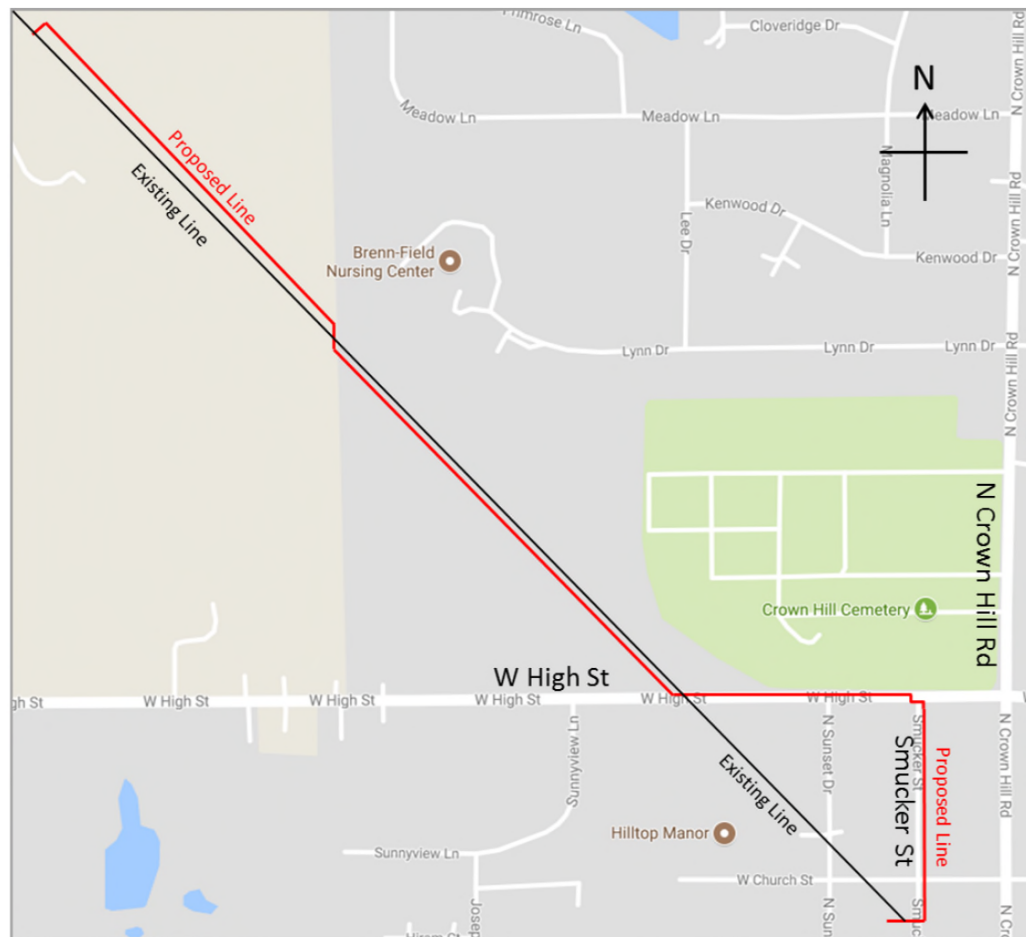

OPSB Case No. 17-1957-GA-BLN

Dear Property Owners and Affected Tenants,

New Pipeline Project

As we indicated to you in a prior letter, Dominion Energy Ohio (“DEO”) is preparing to replace an existing 8-inch diameter pipeline with approximately 6,100 feet of a new 12-inch diameter natural gas pipeline within the existing DEO easements and public right-of-ways (“ROW”). The project spans the area between Rohrer Road and DEO’s existing facility on Smucker Street. The new pipeline will be installed within the existing easements to the north and re-routed to public ROWs along W High Street and Smucker Street to the south. The existing pipe will be abandoned in place and the installed pipeline will be laid in a new trench.
