I did sign to dismiss my original complaint at the request of Robert Endris, the Edison attorney. I said I did not have an interconnection agreement. He said, "don't worry" that is important to us also.

I did not hear anything in December 30 I went to their facility in Holland, Ohio, with more information. Peter Dery was not there but I met a nice young lady and I felt good about the meeting. Peter Dery Called Several days later and said he would set up a meeting and would send me a packet. Nothing has happened.

Sincerely, Pete Robboff
